A black and white photograph of a building, possibly a church or a large house, completely covered in a dense layer of small, light-colored flowers. The flowers are in full bloom, creating a textured, almost abstract pattern over the building's architecture. The sky is a uniform, light gray, providing a stark contrast to the dark, flower-covered structure.

The Spirit of Youth. It is that sentient quality which speaks for all that is real or imagined. It envelopes a college campus with motivation, pride and all the clichés which seem unreal to a generation of realists. It intoxicates the creative mind. It serves as the life thread for an age in which it is fashionable to tell it like it is.

This very spirit is Eastern's mantle. She wears it with a pride that at times seems almost paradoxical. It reaches out. It can be psychedelic, or simply meditative. It is each individual's emerging personality, which, when nurtured, becomes the Spirit of Eastern Kentucky University.

The Foundation of Eastern's Spirit, upon which all values are based, is its heritage. For without it, we have nothing upon which to build or add.

Eastern's heritage is embellished with tradition. It is a composite of standards—statues and buildings, men and ideas—which symbolize all that Eastern has stood for in the past and will stand for in the future.

It is, therefore, that from which we draw in order to design our destiny.

Any spirit, regardless how rich its heritage, is worthless if bound to the past. Eastern's spirit is vibrant, steeped in tradition, yet deeply concerned with building a future both for those here now and for the thousands yet to come.

The spirit penetrates the student and becomes manifested as scholarship—the growing of a mind toward a future that otherwise would not have been as rich.

Growth demands a variety of activities which stimulate special interests, through which a sense of awareness and a growing concern for social development is formulated. The maze of heterogeneous opportunities, the multiplicity of the arts, brings a realization of that spirit of cultural awareness.

The aware student faces the realization that he is caught up in the spirit, in a world of books, balls and ballgames that challenge his identity. His is the problem of maintaining individualism in the midst of ubiquitous crowds.

Involvement is the only way to preserve self, to keep from being engulfed in the swift current, drifting from one unlearned experience to another.

This involvement contributes to the spirit, and the spirit grows . . .

Orientation: It's the adjustment to a new life. It's feeling awe, loneliness, excitement, and new friendships in one ecstatic emotion. It's Eastern.

Good-byes must be said; frustrations of the first registration must be endured. Yet, after that first week is all over, one cannot help but feel pride, responsibility, accomplishment, while sensing the challenge that is around the bend.

Time spent alone in the confines of one's own mind is time to ponder the future, contemplate the outside world, study—or even just to dream of dreams.

We begin to notice those simple, ever-present substances around us and realize the sincerity of our surroundings. We learn that, in order to preserve these things, we must temper our youthful zeal and hostilities with understanding and tolerance.

Autumn was a paradox. Eastern slumbered at first, as the nights became crisper and the campus turned the golden colors of fall. The gentle strumming of a guitar and soft serenade were not indicative of the explosion of color and sound that were to follow.

BAND DAY – 1968

Distorted, variegated images reflect on the big brass tubas as they emit rhythm's oom-pa-pa; bobbing plumes and prancing spats and tassels; the pulsating beat of a drum-roll as smiling majorettes perform their synchronized routines; the daring-do of Robyn Kidwell as she expertly twirls flaming batons. And finally, the sound of music, magnified 5,000 times like a giant stereo.

It's Band Day—1968, a spectacle which defies the imagination and prompts spontaneous goose-pimples throughout Hanger Stadium. It's excitement as Kentucky's finest high school musicians congregate for a joint performance under the direction of Robert Hartwell. It's a highlight of any football season, affording a rare opportunity for both the entertainers and the entertained.

Homecoming, 1968. It was said with music. The music of electrical floats and marching bands. The music of old grads reminiscing of Eastern's bygone days. The music of a variegated body — 15,000 strong — emitting a swelling crescendo of excitement and rah-rah-for-our-side. The sweet, undeniable music of victory.

There was the Impossible Dream. A Meditation Chapel. The excitement of a homecoming victory was accented with nostalgia as progress said farewell to Hanger Stadium and made way for a bigger and better Eastern. B. J. Thomas socked it to 'em with music. And it was back to the dorms for a brief rerun of the day's excitement while old Dan'l —Homecoming mum in hand—adamantly stood watch over a quiet campus.

There is nothing else quite like dormitory living. It is not necessarily a place for study or a place for lying around, but a medium through which a myriad of lasting experiences can be formed and enjoyed—without regard to the channel through which it happens to flow.

Men's dorms create an atmosphere of living apart, yet together in a restricted realm of emotion but with sophisticated and meaningful freedom.

But it's more basic than this. It's feeling down-to-earth honesty with ourselves and with each other, laced with a benign sense of security and well-being.

It has been called the campus in microcosm. And so it is, for in the grill, one can delve into the world of students and witness them 'doing their thing.'

Intrinsic truth lies within the relationships one has with others, for truth is that quality of beauty which commands and demands that people give of themselves before receiving.

Reflections — the mirroring medium through which majestic images are etched forever in our mind's eye.

The heart of a University is it's library. For without it, there would be no university, no teachers, no students. It holds all that has been learned and offers a promise for all that will be learned.

What makes a Greek? Personality, the enjoyment of projects shared, party-times, and helping people; it's the giving of one's time and energy for a purpose much bigger than himself.

The jubilation of an excited crowd, the anxiety of a spectator, the concern of a cheerleader, and a player's pain—all forms of expressions and emotions of aware and involved youth.

Basketball—the team sport that allows individual participation by both player and spectator. But it's more. It is admiration for a coach and team who give the utmost to the competition. And it is hysteria—appreciation for doing the best that is possible.

The phenomenon that civilizes man is culture. It hones his sharp edges of incivility and refines his base coarseness into a civilized being capable of acting beyond instinct, beyond the behavior of an animalistic nature.

Culture holds a different meaning for different people. It may be the performing arts to some, the values of a strange nation to others.

Individualism, for all its merit, has no value or meaning without the ability to function within the context of relation with others.

Despite the fact that we engage in many activities, our final purpose is educating ourselves. Around this aim all other involvements must revolve.

In the educational process, we must realize that it is up to each of us to make our own decisions about how much we want to learn; to do better than those before us.

We also realize that, without proper direction, what we read and do will be of no value. And, those who do the directing must be willing to give of themselves for the edification of others.

Then we have learned; we have harvested knowledge for our own gain . . . and rightly so. For what is the purpose of learning if not for our improvement.

A winter exposé—it brings with it a nonchalant respite from the all-work-and-no-play regimen that produces dullness.

Once a seemingly aimless body of non-entities,
we came into our own, taking part within the
whole and with each other, choosing evolution
over revolution in our struggle to be heard.

P.R.U.F. is a group of students who are interested in the welfare of the school and its students. They are a group of students who are interested in the welfare of the school and its students. They are a group of students who are interested in the welfare of the school and its students.

Seeking recognition, many of us shed our apathy, with an aim, a purpose devoted to making a meaningful contribution.

Nothing exemplifies growth like patterns, for growth is an ever-changing constant; always moving steadily toward a higher goal, keeping pace with need.

The rustle of papers, laughter of a crowd, clanging of machinery, whisper of a torch, and the stillness of a new fallen snow—harmony out of dissonance.

When smiles take on an added glow;
when work is done outside that could
easily have been done indoors; when a
young man's fancy turns . . . it's Spring.

The mark of youth is the ability to adapt to any situation, to change moods according to our environment.

This chameleon-like moodiness underscores our character and, through it, by prohibiting stereotypes, initiates a spirit that distinguishes our generation from any other.

We come here with young minds and young ideas. But when we finally have to leave, after what seems a lifetime of growing up, we suddenly feel very old. Yet it's not physical aging with which we are preoccupied; it's the insight of what we once were and what we now are.

'Every Kentuckian Counts' Theme of Governor Nunn

Governor Louie B. Nunn completed his first twelve months in the Kentucky state house this year with a fine record of service to education. His administration, strong in its support for education, is based on the premise that "Every Kentuckian Counts."

A frequent visitor to the Eastern campus, Governor Nunn received the Honorary Doctor of Laws Degree from Eastern when he spoke at the 1968 Founders Day ceremonies. "We have placed a premium on education," said the Governor as he pointed out that 67 percent of his budget was earmarked for Kentucky's schools.

The Glasgow native has led the Kentucky campaigns of President Richard M. Nixon, President Eisenhower, and Senators John Sherman Cooper and Thruston B. Morton. Chairman of the board of elders and deacons of the First Christian Church of Glasgow, he is active in many civic and professional organizations.

In two of his visits to the Eastern campus this year, Governor Nunn chats (*above*) with a member of the University Women and at right with Eastern author-in-residence and Kentucky poet laureate, Jesse Stuart, and President Martin.

Eastern's Board of Regents: Earle B. Combs, Senator Durham Howard, Sidney W. Clay, Ralph Whalin, faculty representative, William Wallace, President Robert R. Martin, J. C. Powell, secretary of the board, Robert Begley, Senator Wilson Palmer, and Steve Wilborn, student representative. Wendell Butler, not pictured, State Superintendent of Public Instruction, is ex-officio chairman of the board.

Eastern Board of Regents Is Second in Nation to Include Student, Faculty Representation

Judge James Chenault administers the oath of office to four new Board members. From left: William Wallace, Robert Begley, Steve Wilborn, student representative, and Ralph Whalin, faculty representative.

Kentucky again illustrated its unhesitancy to innovation when the Commonwealth became the first state and Eastern the second institution in the nation to include student and faculty representation on the Boards of Regents of public colleges and universities. W. Steve Wilborn, Student Association president, and Mr. Ralph Whalin, elected faculty representative, were administered the oath of office this year along with new members, Mr. William Wallace and Mr. Robert Begley, who were appointed by Governor Nunn to regular four-year terms.

In addition to approving a record budget of \$18 million for the biennium, the Board okayed approximately \$15 million in new construction projects this year. Included were the planned \$6 million University Center and a \$3.5 million classroom building.

Throughout its history, the Board has worked consistently with the president of the University for the advancement of Eastern, diligently striving for continued progress. The governing body of the University, the Board is responsible for the policymaking decisions which have ignited Eastern's unparalleled development.

PRESIDENT ROBERT R. MARTIN: A MAN WITH A VISION

The demands of leading a university require more of a man than the prerequisites of academic and administrative acumen. In a word, they require foresight. That President Robert R. Martin has this foresight is demonstrated by Eastern's drive toward the greatness he predicted eight years ago in his inaugural address, entitled, "A Vision of Greatness." It is evidenced by Dr. Martin's ability to forecast the future needs of the institution.

Under President Martin's administration, the student is the central figure around whom all university planning revolves. Representative of the student emphasis—the "Spirit of Youth"—prevalent on the Eastern campus is the construction begun this year on the site of Hanger Stadium for structures to serve the spiritual and social needs of the students—the Meditation Chapel and University Center, shown on these pages.

President Martin's Eighth Year As Eventful As Preceding Seven

President Martin's eighth year at the helm of Eastern saw the continuation of his aggressive programs as his administration tirelessly worked to develop new physical facilities, expanded academic programs and improved student services. It was an eventful year, just as the seven preceding years have been.

During the past year, he has seen the realization of many academic objectives, the most pronounced being at both ends of the Eastern educational spectrum—associate and graduate degree levels. New physical facilities totaling some \$20 million have either been completed or begun during this year.

Recipient of the 1964 Outstanding Kentuckian Award from the Kentucky Press Association, Dr. Martin continued to demonstrate his leadership prowess on all levels, holding key offices on several national educational bodies. A recognized force behind the ascent of higher education in Kentucky, he provided much leadership to the development of state-wide programs such as the Kentucky Educational Television Network. Despite his grinding schedule, President and Mrs. Martin found time to spend with the students, attending as many campus events as possible.

President Martin and other members of the Century Club (above) symbolically break ground for Meditation Chapel from a wheelbarrow at Homecoming ceremonies. Eastern's No. 1 fan displays his pleasure during one of the Colonels' home football games at right.

President and Mrs. Martin watch most of the year's parades from the porch of their Blanton House home.

Mr. J. C. Powell, Executive Dean, maintains close contact with each building project in his role as fiscal aide to the President.

Mr. Howard Unterbrink, Internal Auditor, is concerned with the proper maintenance of University accounts.

Mr. John L. Vickers, Executive Assistant, is a personal representative for the President and is Director of the Placement Service.

Executive Aides Assist

Presidential Duties

Preparation of the University budget is one of the prime missions of Mr. J. C. Powell, executive dean, who also serves as secretary of the Board of Regents. An important appointed role was also filled by Mr. Powell this year as he served as chairman of a committee studying student affairs. The organization of bond issues, supervision of building projects, the utilization of University facilities and the preparation and audit of internal accounts are also functions of his office.

Mr. Howard L. Unterbrink, Internal Auditor, serves as assistant to the Executive Dean in affairs of internal finance. Mr. John L. Vickers, executive assistant, represents the President at many community and state functions, as well as administers the Presidential Scholarship program. In addition, he is director of the Placement Service, in which he brings Eastern students in contact with prospective employers.

Academic Affairs Expands Educational Spectrum

Significant expansion at both ends of the educational spectrum were prime developments this year in the Office of Academic Affairs, under the direction of Vice President Thomas Fisher Stovall.

Existing, and new, two-year programs were administratively grouped into the Richmond Community College at one end of Eastern's curriculum. At the other extreme, new master's degree programs in six fields were added, and new sixth-year specialist degrees were authorized in arts, sciences, education, and technology.

In his dual capacity as Vice President of Academic Affairs and Dean of the Faculties, Dr. Stovall charts the academic course of Eastern in coordination with the deans of the respective colleges and the Dean of the Graduate School.

University-wide academic services also grew under Dean Stovall's supervision. These include: libraries, research, instructional services, international education, and allied health programs.

Above: Dr. Thomas F. Stovall, Vice President for Academic Affairs and Dean of the Faculties, directs Eastern's academic course. *Below:* Dr. LaRue Cavanaugh, Dean for Continuing Education, is concerned with the development of off-campus classes and in-service education.

Mr. Ernest E. Weyhrauch, Director of Libraries, and Dr. R. Dean Acker, Director of Research often find themselves working together on research projects.

Above: Dr. Thomas D. Meyers, Coordinator of Allied Health Programs, provides information on all health programs the various colleges offer. *Left:* Dr. Kenneth Clawson, Dean of Richmond Community College, coordinates Eastern's Associate Degree programs.

Right: Mr. James S. Harris, Director of Instructional Services and Mr. John Sullivan, Coordinator of Radio, discuss a WEKU-FM program log. *Bottom:* Mr. Edward De Carbo, Coordinator of International Education, advises Dr. Stovall in educational matters of an international nature.

Office of Student Affairs Studies Policies

Above: Dr. Henry G. Martin, Vice President for Student Affairs, is the chief administrator in areas of student interest. *Left:* Dr. Charles Ambrose, Dean of Admissions, has the basic responsibility of admission and re-admission of students.

Revision, improvement and committee work were the key words in the Office of Student Affairs this year, under the direction of its Vice President, Dr. Henry G. Martin.

Liberalized dormitory hours for women and more permissive motor vehicle regulations greeted the student body when it returned to the campus last fall. The entire area of student regulations was under study for a report to the special Faculty Committee on Student Affairs which is expected to have impact during the next school year.

All policies affecting student organizations were published by Mr. Donald Smith, Director of Student Organizations. Miss Mary K. Ingels, Dean of Women, and Mr. Paul Seyfrit, Dean of Men, advised the Greek social organizations in addition to their normal duties of counseling and advising.

The Admissions Office, under Dean Charles Ambrose, admitted and processed a record enrollment of 9,179. Mr. Herb Vescio, Director of Student Financial Assistance, and Dr. Wilbur Houston, University Physician, continued their services.

Above: Miss Mary K. Ingels, Dean of Women, and Mr. Paul Seyfrit, Dean of Men, are responsible for the well-being of Eastern's students. *Right:* Mr. Donald Smith, Director of Student Organizations, administers policies that affect the operation of campus organizations.

Mrs. Jeannette Crockett and Mr. Robert Noble, Director of Men's and Women's Residence Halls, are responsible for student dormitory life.

Dr. Wilbur Houston, as Director of Student Health Services, administers the University Infirmary.

Mr. Herb Vescio, Director of Student Financial Assistance, administers loan, stipend, and work-study programs available at the University.

Mr. Leonard Taylor, Registrar, supervises the registration and recording of grades achieved by students.

Office of Business Affairs Improves Services

Mr. Neal Donaldson, Dean of Business Affairs, is responsible for the administration and coordination of all business activity of the University.

Rapid growth of the student body and staff, together with tremendous expansion of the physical plant, is a constant challenge to the Office of Business Affairs which is responsible for those functions of the University that are of a business, financial, or institutional service area. Continuous study and evaluation of operations, procedures, and the staff are necessary to meet the needs of the institutions.

Business Affairs oversaw the expansion of dormitory telephone service, acquired a new heating plant in the Ramsey Building, and improved financial services to student organizations during the year. Attractive health and life insurance programs were implemented for faculty and staff.

This administrative office, under the direction of Dean Neal Donaldson, is specifically responsible for: receiving and safeguarding of funds; accounting and budgetary control; purchasing; operation and maintenance of physical plant; data processing; institutional services; housing; food service; safety and security; and the campus bookstore.

Above: Mr. Billy A. Grubbs, Director of Purchases and Stores, directs the University's sole procurement agency. *Below:* Col. Shirley Castle, Director of Personnel Services, administers all employee benefit programs.

Above: Mr. G. M. Brock, Comptroller, retired this year after serving the institution for 50 years. *Below:* Mr. W. A. Stapleton, Bursar, supervises accounts due the University and the check-cashing service.

Above: Mr. Lawrence O. Martin, Director of Food Services, administers Eastern's growing system of cafeterias and grills. *Below:* The maintenance of the physical plant and grounds is the duty of Division of Buildings and Grounds directed by Col. Ernest Chapman.

Col. A. O. Hatch, Director of Housing, is in charge of public and financial matters relating to University housing for students, faculty and staff.

Bottom right: Mr. Pat Ridgely, Director of Data Processing, provides services for the statistical data and records necessary for effective administration. *Bottom left:* Mr. Fred Ballou, manager of the University Bookstore, guarantees that students and faculty can get necessary books and supplies at a reasonable cost. *Below right:* Mr. Claude Bivins, Director of Institutional Services, coordinates postal, telephone, duplicating and filing for the University. *Below left:* Mr. Billy Lockridge, Director of Safety and Security, protects and safeguards the property of Eastern, its students and staff.

Public Affairs Directs Century Fund Drive

Mr. Donald R. Feltner, Dean of Public Affairs, is the chief administrator in those areas involving Eastern's relationship with the various publics.

Mr. Charles D. Whitlock, Director of Publications, and Mr. Brown Lee Yates, Director of News, have the duty of presenting information about Eastern through various media.

The successful completion of the Century Fund campaign to finance the construction of Meditation Chapel was a highlight of a diverse number of new programs undertaken by the Office of Public Affairs this year.

Under the direction of Dean Donald R. Feltner, the office also separated news and publication into two divisions, and offered new services to students, faculty, school leaders, and campus visitors through a new area called Informational Services.

The Alumni Office moved into its new home in the refurbished Mary Frances Richards Alumni House, while the other divisions within Public Affairs occupied new quarters in the Jones Building.

The biggest Band Day event in history, with 5,000 musicians participating, was coordinated by University-School Relations. In addition, a stepped-up program of recruiting is expected to result in another record enrollment next fall. Alumni Affairs drew praise for both Alumni Day and Homecoming programs and Placement expanded its Services with its first full-time director and new facilities.

Right: Mr. Henry F. Pryse, Director of University-School Relations, directs the program of student recruitment. *Below:* Mr. David M. Vance, Director of Sports Information, provides news agencies facts about the Colonels. *Bottom right:* Mr. James W. Thurman, Director of Alumni Affairs, maintains close contact with Eastern's growing family of graduates.

CENTRAL UNIVERSITY COLLEGE

Dean Clyde J. Lewis is responsible for administering the general education programs Eastern students take during their first two years.

Central University College Stresses Advising Services

Central University College, under the leadership of Dean Clyde Lewis, this year strengthened its program of academic advising in an effort to further assist adjustment and development of Eastern students during their first two undergraduate years.

The college, which administers the records of all students during their freshman and sophomore years, added an associate dean, Dr. Leroy Barlow, who worked extensively with the advising program.

Mr. Bently Hilton was instrumental in the advising emphasis, as was the staff of advisers drawn from all of the University's academic programs.

Central University College contains the academic departments of social science and military science, while also directing general studies in English composition, health, physical education, and science.

Associate Dean Leroy Barlow heads the Eastern program of academic advising for freshmen and sophomores.

Dr. Bert C. Bach coordinates the English composition portion of the Central University curriculum in addition to his teaching duties.

Academic adviser, Mr. Bentley Hilton, is a key figure in Central University College's scholastic guidance of students in their first two years.

Dr. Alan Downes, chairman of the Department of Social Science, is an animated lecturer.

Dr. Wallace C. Dixon coordinates the science portion of the Central University general studies program.

Dr. John M. Deck chairs the physical education program within Central University College and is responsible for activity classes in that area.

Colonel Everett N. Smith, Professor of Military Science, directs a Reserve Officer Training Corps that boasts a 2,600-man brigade.

COLLEGE OF APPLIED ARTS AND TECHNOLOGY

Administrator of the rapidly developing College of Applied Arts and Technology, Dean John D. Rowlett is guiding that division of the University through years of academic expansion and physical growth, represented here by the Burrier Building.

Applied Arts and Technology Expands Offerings, Facilities

The College of Applied Arts and Technology this year approached its goal of preparing men and women for technical professions and teachers of home economics, industrial arts and vocational-technical education with more resources than ever before.

The college, under the leadership of Dean John D. Rowlett, acquired a new facility—the Burrier Building—and continued the expansion of academic offerings to a total of 30 undergraduate degree programs, 16 Associate of Arts (two-year) curricula and 14 Bachelor of Science degrees. The graduate program was expanded beyond the master's level with the addition of a sixth-year Specialist in Technology degree.

The Burrier Building provided new facilities for the

Department of Home Economics and housed classes of the Department of Nursing and the School of Law Enforcement.

Development within the other departments of Applied Arts and Technology—agriculture, industrial education, industrial technology, the Traffic Safety Institute and the Kentucky School of Crafts—also contributed to the overall growth within the college, which has seen its enrollment more than double in two years.

Plans for future expansion were also in the works this year. More degree programs, at all academic levels, were under constant study. It was announced that the Department of Agriculture is to be housed in a new technical-agriculture building during the 1969-70 academic year.

In the simulated environment of a greenhouse, students learn useful techniques of horticulture.

Dr. William A. Householder, chairman of the Department of Agriculture, directs programs preparing students not only for farming, but for agriculture related occupations.

As Associate Dean of the College of Applied Arts and Technology, Dr. Jack A. Luy frequently observes classes and teaching techniques in the college in addition to his own administrative and academic responsibilities.

Knowledge gained from books is put into practice as one girl observes the wide-eyed innocence and curiosity of babyhood in the Home Economics Child Development Laboratory.

Typesetting and the operation of presses are skills acquired in graphic art classes.

As chairman of the Department of Home Economics, Dr. Roberta Hill directs curricula preparing dieticians and food

service management in addition to programs to educate home economics teachers.

As chairman of the Department of Industrial Education, Mr. Ralph Whalin directs one of only 212 higher

education programs for the preparation of certified industrial arts teachers.

Dr. William Sexton (left), chairman of the Department of Industrial Technology, directs baccalaureate and associate degree programs in drafting, electronics (right), graphic arts and printing.

Knowledge of the techniques of fingerprinting is necessary for accurate criminal identification by students in the School of Law Enforcement.

The chairman of the Kentucky School of Crafts, Dr. Kenneth Hansson, is concerned with assisting

practicing and beginning craftsmen to improve their skills and products.

Mr. Leslie M. Leach, here administering the Breathalyzer test for alcohol, is director of the Traffic Safety Institute which is concerned with research, public service, and instruction related to preparing driver education teachers.

Traffic control is a skill acquired through diligent study and practical application.

Mr. Robert Posey, chairman of the School of Law Enforcement, administers the only degree program in law enforcement in Kentucky.

Nursing students have diversified educational opportunities. An Eastern nursing student (above) gains experience at one of the off-campus medical centers; while other students (below) study human anatomy in campus laboratories.

Chairman of the Department of Nursing, Mrs. Charlotte Denny, is in charge of academic programs which prepare students to take the State Board Examination for certification as registered nurses.

The College of Applied Arts and Technology offers a wide variety of academic programs—from experimental wood-bending to ornamental horticulture.

COLLEGE OF ARTS AND SCIENCES

Arts and Sciences Revamps Department, Adds Majors

The College of Arts and Sciences this year experienced further development of academic programs designed to enhance its goal of providing a sound liberal education for the Eastern student. Also in the works were new curricula which will be effective next fall.

Dean Frederic D. Ogden directed the division of geography and geology into separate departments and supervised the initiation of a major in philosophy and a minor in journalism at the undergraduate level and a new graduate offering leading to the Master of Arts degree in geography.

Students next fall will be able to enroll for a new major in broadcasting and the Master of Arts in political science and Master of Public Administration degrees will be available.

Besides offering the curricula available in the social and behavioral sciences, English and the foreign languages, the humanities and natural sciences and mathematics, the College of Arts and Sciences has overall responsibility for the coordination of the University's pre-professional offerings.

Dean Frederic D. Ogden directs those programs that provide a basic liberal education for the students and prepare them for later study in professional fields.

Associate Dean Glenn O. Carey (*above*) is Dean Ogden's chief assistant in directing the academic and administrative activities of the College of Arts and Sciences. Dr. H. H. LaFuze (*below*), Chairman of the Department of Biology, examines a microscope station in a plant science laboratory.

Advanced biology students study the function of a turtle's heart in a zoology laboratory.

Dr. Ted George, chairman of the Department of Physics, uses an animated lecture in a physical science course to enhance the learning process.

Chairman of the Department of Chemistry, Dr. Ernest E. Byrn, uses his hands to prescribe the

various energy levels of an atom's structure in a survey course.

Lab partners learn that dissecting often demands the technical abilities of two people.

Dr. Bennie Lane, Chairman of the Department of Mathematics explains the intricacies of matrix algebra.

Dr. Joseph R. Schwendeman, Jr., finds the constant study of topographic overlays necessary to his role

as chairman of the Department of Geography, which requires the steady influx of new knowledge.

A student (*above*), ponders the Earth's globe while Dr. Donald C. Haney, (*right*), Department of Geology chairman, explains its structure.

Chairman of the Department of English, Dr. Kelly Thurman is a recognized authority in the field of semantics and author of a widely-used text.

Use of modern language laboratory equipment is an important learning aid for language students.

Dr. Charles Nelson directs a foreign languages program that offers curricula in both modern and classical tongues.

Potter's wheel, earthen clay, and the artist's hand combine to create a work of art.

Mr. Daniel Shindelbower, chairman of the Department of Art, realizes the importance of individual attention and guidance in the development of creative talents.

Music seminars give the students of Mr. Robert Hartwell, acting music chairman, a chance to discuss their individual opinions.

Dr. John C. Cooper (*left*), chairman of the Department of Philosophy, directs a program which studies both the classical and contemporary schools of philosophical thought.

As chairman of the Department of Anthropology and Sociology, Dr. Harry Hale is concerned with man's physical development and the functioning of primitive and modern societies.

Dr. George Robinson (*above*), chairman of the Department of History, works closely with each history major in the planning of a sound course of study in the individual's area of interest. Dr. Dwynal Pettengill (*below*), chairman of the Department of Political Science, directs a discipline demanding both subjective and objective approaches to its study.

COLLEGE OF BUSINESS

Dr. Joseph Young, Dean of the College of Business, directs a versatile academic organization which has programs aimed at keeping both the student and the public educated in terms of the business world.

Business Revises Programs, Awards First M.B.A. Degrees

Extending its academic offering, the College of Business developed a variety of new programs this year to enlighten students and the public with knowledge of the business world.

A revised four-year program in electronic data processing leading to the baccalaureate degree was adopted to replace the two-year, Associate of Arts degree curricula. The longer program was designed to better prepare students for the increased complexity of electronic data processing.

This year the College of Business, in cooperation with the Graduate School, awarded Eastern's first Master of Business Administration degrees. The M.B.A. stresses accounting, economics and business administration.

Workshops for specialized instruction were offered to businessmen and the public, in addition to the regular courses available to students. Among these was a C.P.A. Review which was held as a refresher course for businessmen planning to take the exam to become certified public accountants. A workshop on hospital accounting was also conducted, aimed at helping hospital personnel keep pace with the increased accounting problems created by the Medicare program.

The College of Business, through its departments—accounting, business administration, business education and office administration, and economics—is versatile to meet the needs of all business students, rather than specialized in any one field. The increased capabilities of the college is exemplified by the fact that more and more businesses are looking to Eastern to supply prospective executives.

Eastern business administration majors learn that before today's complex electronic data processing equipment can work its wonders, qualified persons must perform exacting programming.

Dr. George G. Miller (*above*), serves in a dual role as Associate Dean of the College of Business, and as chairman of the Department of Business Administration, which counts among its

subjects electronic data processing (*below*), taught by Mr. John Gorgone.

Eastern's College of Business is trying to meet the climbing demand for qualified key punch operators that has been brought about by the increased dependence on data processing equipment.

Mr. Claude K. Smith, (*above*), chairman of the Department of Accounting, helps a student over a tricky entry in an Income Tax Accounting class.

A student examines his own creativity (*below*) as he looks over an assignment prepared for a course in advertising copy and layout.

Dr. Alfred Patrick, chairman of the Department of Business Education and Office Administration, supervises Eastern's courses that teach the mastery of office machines, such as the calculators surrounding him (*left*), and (*below*) the all-important typewriter.

Economics—in both theory and practice—are the domain of Dr. Donald Shadoan, chairman of the Department of Economics.

Eastern business majors get experience on modern business equipment.

COLLEGE OF EDUCATION

Dr. Dixon A. Barr, dean of the College of Education, directs a diversified college that has functions ranging from the preparation of elementary teachers and the coordination of the secondary education programs to the education of persons in the fields of health, physical education and recreation.

Education Improves Established Programs, Adds Innovations

Upgrading of existing academic offerings and innovation were both key factors in the College of Education this year. Under the guidance of Dean Dixon A. Barr, the college sought improved methods for the preparation of teachers in already established programs and made new curricula available in a variety of subjects.

A new course of study for the preparation of kindergarten teachers was initiated, as were Master of Science degree programs in school and clinical psychology. The restructuring of a classroom in the Combs Building provided a psychology laboratory to strengthen the new graduate, as well as the undergraduate, course work. The first persons to receive the Bachelor of Arts in library

science were graduated.

The college's Division of Health, Physical Education and Recreation was active, too. A new curriculum was open in public health to complement the existing school health offering and a successful summer sports camp series was begun.

Eastern, through the College of Education, contributed to the Title III, Elementary and Secondary Education Act, by providing extensive consultation service to the 18-county activity. The Appalachian Teacher Education Program, a component of Title III which recruits young persons for education and return to the region as teachers, was headquartered at Eastern.

Dr. Charles H. Gibson (*left*), Assistant Dean of the College of Education, feels that close teacher-student contact is necessary in those classes he teaches. Chairman of Professional Laboratory Experiences and Associate Dean of the college, Dr. J. Dorland Coates (*below*) supervises Eastern's extensive student teacher program.

Elementary education majors learn the techniques of bulletin board displays and get results like this one, which tells a story all by itself.

Extensive familiarization with teaching methods are required before Eastern's student teachers go to the field for six weeks each semester.

Dr. Eddie P. Ort, chairman of the Department of Education, is concerned with the professional orientation and instruction of students enrolled in Eastern's teacher education program, and those performing graduate study in education.

Professor C. Douglas Hindman of the psychology faculty (*left*), utilizes a sophisticated testing device, similar to a lie-detector in a graduate-level psychology class. Dr. James A. Lee (*above*), chairman of the department, supervises course work leading to the Master's degree in two fields of psychology.

Miss Juanita Phillips (*below*), chairman of the Department of Library Science, saw her department award its first B.S. degrees this year, while Library Science majors (*above right*), learn each detail in the operation of school and public libraries. Dr. Ned Warren (*above left*), chairman of the Division of Health, Physical Education and Recreation directs programs that range from graduate-level curricula to an Associate of Arts degree offering in recreation supervision.

Dr. Thomas P. Collins (*above*), is director of the Title III, Elementary and Secondary Education Act, program for Region 6 in Southeastern Kentucky, an 18-county area.

Dr. Nancy D. Peel, (*left*), and Dr. Florence Stratemeyer are both involved in the Appalachian Teacher Education Program component of Title III activity, which is headquartered at Eastern. Dr. Stratemeyer, ATEP coordinator, also serves the University as distinguished professor of education.

Mr. Sam Whitaker, coordinator of the horticulture component of the Title III program, examines a plant life project in the greenhouse of Bush High School in Laurel County.

Dr. Helen Reed (*right*) directs Eastern's Model Laboratory School, a modern educational laboratory for students preparing to be teachers, and an opportunity to benefit from the latest teaching methods for the students enrolled there.

The College of Education administers a variety of programs, ranging from physical education, (*above*) to Model Laboratory School.

CLASS OF 1969

President: JEFF OKESON
 Vice President: STEVE OKESON
 Secretary: JEANNE CHISECK
 Treasurer: KEN BERRY
 Reporter: MARILYN BARNHART
 Student Council: GARY LIGHTNER
 Student Council: KATHY PHILIPS

The Senior Class of 1969 contributed spiritually, academically and socially to life within the Eastern community.

Non-denominational Meditation Chapel received a \$2,500 donation to go toward the construction of the altar. Five worthy seniors were awarded grants on the basis of need and academic achievement so that they could complete their educations. Homecoming and the Senior Banquet in May were big social events for the Seniors.

The Fall class elections saw the S.O.B.E.R. (Seniors Offering Better Experienced Representation) ticket swept into office.

The highlight of the entire year was commencement. That day the significance of four years of challenge and work was realized for the Class of 1969.

GRADUATE SCHOOL

Graduate School Expands Advanced Degree Programs

Expansion and development were key words in the Graduate School this year. Dean E. E. Moretz supervised the addition of seven new graduate degree programs to the curriculum and coordinated the planning and approval of four others which will be implemented next fall.

Biggest news in the graduate school was the authorization, by the Board of Regents, of the awarding of specialist degrees, planned sixth-year degree programs. Specialist curricula were offered in technology and education (physical education).

In cooperation with the University's academic colleges, the Graduate School offered the Master of Arts degree in geography and in guidance for student personnel for the first time. A Master of Arts degree will be available in political science next year, as will the Masters of Public Administration.

New Master of Science curricula were available in industrial education, industrial technology, clinical and school psychology and will be offered next year in chemistry and physical education.

Graduate Dean E. E. Moretz coordinates with the deans of Eastern's academic colleges for the operation of developing graduate curricula.

An important day in a graduate student's career (below) is the oral examination which tests familiarity with subject matter and the ability to think clearly and quickly.

Eastern's graduate level courses, like Dr. Robert Morsberger's English class on the "Age of Emerson," attract students from many walks of life.

HONORS

Symbolizing the highest standards of scholarship, leadership, and overall value to the academic community are those seniors entered in the Milestone Hall of Fame. The Milestone proudly presents as the 1969 entry, Miss Patricia Newell: scholar, campus leader, and diligent worker. Miss Newell, Louisville, epitomizes the sterling qualities regarded as most ideally representative of the Eastern Spirit of Youth.

One of five nominees made by the senior honoraries, Collegiate Pentacle and OAKS, and the Student Council, Pat was named the 1969 Hall of Fame entry by a secret committee chosen by the University president. She joins a distinguished group of seven predecessors in earning the Milestone's highest honor.

Winner of the Honor Roll award signifying the superlative senior in the College of Education, Pat, who plans to become an elementary teacher, has compiled a 3.22 standing during her first three years at Eastern while maintaining an active campus leadership role. She has served as chairman of two vital committees, the Student-Teacher Course Evaluation Committee and the Women's Rules Evaluation Committee, illustrating the high esteem in which her abilities are held. Listed in *Who's Who*, Pat has served as treasurer of the Student Council, a member of Cwens, and Collegiate Pentacle. She spent last summer in Ireland as Eastern's representative to the Experiment in International Living.

Patricia Blanche Newell

1969 Hall of Fame

As a campus leader, Pat is active in many organizations. The popular '69 Hall-of-Famer also finds time for her social life, despite the time consumption of an elementary education major.

1969 Honor Roll

PATRICIA NEWELL, *Education*

STEVE FARDO, *Applied Arts and Technology*

Representing the best in their respective colleges are the members of the 1969 Milestone Honor Roll. In addition to boasting superior academic standings in their fields of study, the Honor Rollees assume key leadership roles in a diverse array of campus activities.

Students receiving this coveted award are chosen by the individual college deans on the basis of academic accomplishment, leadership, cooperation and contributions to their respective field of study at Eastern.

The 1969 Honor Roll has a combined three-year average academic standing of 3.623 and boasts an impressive set of leadership credentials. Topping the list are Political Science major, Jerry Carter, co-winner of the College of Arts and Sciences award with a perfect 4.0 standing, and Miss Bonnie Pozarnsky, College of Business, 3.97. Miss Pozarnsky is a Business Education major.

Arts and Sciences co-winner, Miss Martha Garland, an English major, has a 3.78 standing. The College of Applied Arts and Technology's Honor Roll representative is Steve Fardo, an Industrial Education major with an academic standing of 3.41.

The Milestone's 1969 Hall of Fame Entry, Miss Patricia Newell, represents the College of Education on the Honor Roll. An Elementary Education major, the talented Miss Newell has a 3.22 overall academic standing but her professional education record shows an average of 3.76.

Milestone Senior Citations

Serving both as an award to assiduous seniors and as an incentive to aspiring juniors, the Milestone Senior Citations, with a brief history of five years, have fast become a tradition with ever-ascending status.

Students designated for this honor have demonstrated outstanding leadership and ability in their respective areas of campus activity. Candidates were nominated by department chairmen, organizational sponsors and advisers, and athletic coaches. Decisions were reached by a committee of administrators and students.

Areas which are represented include outstanding students in athletics, drama, music, religion, speech and debate, student government, student publications, and Greeks.

Religion: RAY PINSON, JIM PERKS, NANCY HILL, MARY JO THORNTON.

Military: HENRY H. MAURER, KEN ROBEY, BILL WALL, ROBERT J. GIVIN, PHILIP A. NICHOLS, RICHARD ANDERSON, HAROLD B. STANLEY, DAVID VICKERS, EDWARD CLANCY.

Athletics: JOHN TAZEL, RICHARD ANDERSON, ROBERT WALKER, BOB WASHINGTON, DICK DUNKLE, GRANT COLEHOUR, RON HOUSE, BRUCE BOYER.

Senior Citations

Outstanding Greek Man and Woman: RON BRAUN, CHRIS BREWER.

Student Government: STEVE OKESON, STEVE WILBORN, LINDA PHILLIPS, PATRICIA NEWELL.

Music: DOTTIE PEEKE, THOMAS BONNY, KAREN SEARS,
JAMES OSBORNE.

Drama: BILL THOMAS, CAROL WATSON, TONY MANNEN.

Student Publications: MARY ANNE DOEL, HAYWARD DAUGHERTY, KAREN KLECKNER.

Senior Citations

Speech: ROBBIE KIEFER, RANDY NOLTE, CAROL WATSON.

Who's Who

Students who are honored by selection to membership in Who's Who in American Colleges and Universities are those who have contributed most exceptionally to their academic institution during their college career.

The thirty-eight Eastern seniors chosen this year to receive this prized citation were designated as having distinguished themselves in the fields of scholarship, leadership, citizenship, extracurricular endeavors, and future potential. Candidates were nominated by a faculty committee and final approval was made by the national organization. Each member received a certificate of commendation and his name was placed in the annual publication of *Who's Who*.

OMICRON ALPHA KAPPA

Omicron Alpha Kappa is composed of junior and senior men who have distinguished themselves by demonstrating outstanding leadership, scholarship, and character. O.A.K. upholds the highest scholastic qualifications of any campus organization. Members are required to have maintained a 3.4 average and to have participated in at least one extra-curricular activity.

The organization's activities included holding a smoker for transfer students and co-sponsoring the Honors Day Program with Collegiate Pentacle. The men also held their annual recognition ceremony for new members, honoring all incoming Omicron Alpha Kappa members.

A committee of OAK's discuss plans for the annual Honors Day program, which is co-sponsored by Collegiate Pentacle.

FIRST ROW: Gary Bleichner, Ron Braun, Jerry Hutchins, Danny Bartley, Allen Brelsford. SECOND ROW: Bill Collins, Dan MacDonald, David Coffey.

Collegiate Pentacle

BOTTOM ROW: Shirley Salko Spriesterback, Darlene Asbury, Carol Lowe, Carolyn Hill, Linda Adams Burrows, Barbara Schott, Shirley Hayse, Brenda Thompson. **SECOND ROW:** Sharon Thompson, Billie Harmon, Carolyn Lundsford, Pam Miller, Dorothy Marshall, Sandy Schummer, Rita Lee Shaw, Pat Bailey, Norma Justice, Linda Davis, Linda Phillips, Pat Newell, Karen Kosfeld.

THIRD ROW: Virginia Garner, Jane Birch, Naomi Meyer, Donna Pohlmann, Donna Wolfe, Donna Cailey, Donna Pennard, Andrea Krause, Geneva Melton, Mary Jane Weher, Sharon Corbin, Mary Lynn McCubbin, Susan Benton, Dottie Peake, Paula Begley, Karen Brackney.

Sponsor of Collegiate Pentacle, Mrs. Bonnie Shupe, advises Carol Lowe and Carolyn Hill about details of the Honors Day program.

Senior women selected for membership to Collegiate Pentacle are those who have distinguished themselves by excelling in scholarship, leadership and service to the University during their academic career.

Upholding its fine tradition, this organization served both the community and University this year by acting as guides during Orientation Week, co-sponsoring a coke party for transfer students, providing Thanksgiving baskets for needy families, and giving a Christmas party for children at the Telford Center. They also donated to the Meditation Chapel fund, and gave an informal party for prospective new members.

Scabbard and Blade

Scabbard and Blade, a national military honor society founded in 1904 and begun at Eastern in 1964, supports the improvement of military education, encourages development of leadership qualities, and promotes friendship and fellowship among cadet officers.

This year Scabbard and Blade performed at Homecoming and the Military Ball by executing the traditional saber arch; and maintained active and alumni correspondence. The organization also participated in assisting needy families at Christmastime.

Major William Collier passes under raised sabers during an inspection of Scabbard and Blade.

BOTTOM ROW: Henry Maurer; Michael Catlett; Jamie Mullins, co-ed sponsor; Harold Stanley; David Phelps; Kenneth W. Robey, company commander. **SECOND ROW:** Frank Stackhouse; David Lee; Danny Dillman; Ronald Poling;

John B. Crites. **THIRD ROW:** James Robertson; Douglas Draper; Mark Gritton; Jack Whitney; William Tremper. **FOURTH ROW:** David Vickers; Jack Phelps; David Wain-scott; Mike Cowmna.

Kappa Iota Epsilon

Kappa Iota Epsilon, the sophomore men's honorary, is composed of those men who have upheld an academic average of 3.0 and have displayed both good leadership and citizenship.

This year, K.I.E. members helped by serving as guides during freshman Orientation Week, co-sponsored with Cwens both a social mixer for incoming freshmen and parents and a freshman talent show. They also drove cars for some Queen candidates in the Homecoming parade. New members were introduced to the organization at the annual spring banquet, held this year in the Blue Room in the Keene Johnson Student Union Building.

BOTTOM ROW: Larry Farmer; Larry Solvey; Ed Raker; John Young; Stuart Reagan; Jim Pellegrino; Dan Hempel; Yashiniko Yagi; Mr. Clifford Parsons, sponsor; Mike Fey. **SECOND ROW:** Steve Stanley; Jim Pratt; Charles Van Pelt; Bob Blythe; Tim Bosse; Joan Buchanan; Jerry Gossom; Jim Caudill. **THIRD ROW:** Bill McCaw; Herb Jones; Larry Fields; Paul Lundy; Max Money; Bob Wiseman; Lloyd Blevins, Ray Blevins.

Cwens

Eastern's Mu Chapter of the National Society of Cwens is the sophomore women's honorary. Members are those who have proved themselves scholars and leaders during their freshman year.

To begin the school year, Cwens served as guides during Orientation Week, and co-sponsored a social mixer and talent show for freshmen with Kappa Iota Epsilon, their male counterpart. In October, Mrs. Robert Grise, faculty adviser, and two representatives of Cwens traveled to Kansas State University for the National Convention.

During the year, the girls upheld their tradition of outstanding service by helping at a local rest home, selling Christmas cards for U.N.I.C.E.F. foundation, and serving at the faculty banquets.

Cwens held their eighteenth annual Christmas banquet for all freshman women to acquaint prospective members with the activities and functions of the organization.

Alpha Phi Gamma

Socking it to the Eastern student body in word and picture are staff members of *The Eastern Progress*, the *Milestone* and the *Aurora*. Alpha Phi Gamma admits to membership individuals from these staffs who have demonstrated dedication and achievement in collegiate student publications and journalism.

Professor J. W. Click of the University of Ohio initiated the charter members of the Delta Iota Chapter last spring. The chapter has nearly doubled in size since then. This can in part be attributed to the increased interest in journalism and the continued high quality student publications that attract competent staff members.

Alpha Phi Gamma, as the newest honorary fraternity on campus, became the first to pledge \$500 to the Century Fund to help construct the Meditation Chapel. The chapter's "Tip the Chapel" drive netted more than \$100 during the first year.

BOTTOM ROW: James Culbertson, Jill Austin, Marianne Falk. SECOND ROW: Martha Garland, Joe Edwards, Gayle Schloss. THIRD ROW: Roy Watson, Nancy Brucchieri, Lynda McDonald. FOURTH ROW: Craig Ammerman, Jamie Houchell, Bobby Whitlock, Allen Trimble. FIFTH ROW: Mr. Glen Kleine, SPONSOR; Mr. Donald Feltner, SPONSOR; Karl Parks.

BOTTOM ROW: Charlene Marcum; Mr. Harry Thompson, sponsor; Bill Thomas; Mary Parke. SECOND ROW: Clarence Jones; Larry Pergram; Bob Carver; Sarah Hammons; Alan Aubrey; Charles Taylor; Larry Powell.

Alpha Psi Omega

Alpha Psi Omega, a national honorary fraternity of dramatics, places the honor of membership on those students who have made outstanding contributions to the theater art. Points are awarded to members for length of play, costuming, degree of difficulty, and hours spent on technical production. Alpha Psi Omega, which works jointly with Eastern's Little Theatre, was responsible for the exemplary productions enjoyed by the students this year. Membership in Alpha Psi Omega is conferred for life.

Kappa Delta Pi

Active on Eastern's campus since 1935, Kappa Delta Pi encourages professional, intellectual, and personal standards for students. Selection for Kappa Delta Psi is rigorous. To qualify, one must be in the upper fifth of his class and striving to obtain a degree in professional education.

This year, the chapter again gave two scholarships to a sophomore man and woman who are scholastically minded and who plan to enter the teaching profession. They also aided a one-room school in Clay County in helping to raise the school's standards. In addition, Kappa Delta Pi provided programs for student teachers to participate in discussions with other teachers, expressing the experiences they encounter.

BOTTOM ROW: Dave Vickers; Mary Dynn McCubbin; Donna Carley; Carolyn Hill; Nancy Hill. **SECOND ROW:** Jane Brick; Susan Bentley; Carol Lowe; Dana Click; Toni Kutchback; Sharon Thompson; Billie Harmon; Diane Waiscott; Terry A. Smith. **THIRD ROW:** Mrs. Mabel Jennings, SPONSOR; Portia Williamson; Joyce Messinger; Donna Pohlmann; Karen Kornhoff; Steve Fardo; Mary Jane Weber; Emily Bucks; Warren May. **FOURTH ROW:** Warren May; John Lockwood.

BOTTOM ROW: Gittel Chase; Patty Fairbanks. **SECOND ROW:** Susan Rogers; Gail Morgan; Guyvonne Tribble; Ken Pagi; Molly Neal; Cindy Adams; Barbara Thomas. **THIRD ROW:** Andrea Ranghorst; Ron Wagman; Sue Anne Miller; Judy Hall; Garry Comely; Fran Sharp; Sandy Weber; Judy Alley; Susanne Kuhns; Ron Hamilton. **FOURTH ROW:** Bob Bell; Dan Morgan; Mike Fey; Lanny Forman; Sally Beers; Dean Gatwood, SPONSOR; Mike Harrel, Rodger True.

Kappa Pi

Kappa Pi, national art fraternity which promotes student interest in the visual arts, brought several exhibit tours to Eastern's campus throughout the year.

Touring art museums and various art centers in Kentucky were part of the fraternity's activities. Kappa Pi also sponsored its annual sidewalk art exhibit providing an opportunity for students to display their works.

Pi Omega Pi

Pi Omega Pi, a business education society and Eastern's first honorary, strives to promote scholarship and to provide an interest in the teaching of business.

To be eligible for membership, a student must be enrolled in a business education curriculum, have a scholastic standing of 3.0, have been at Eastern for three semesters, and have completed twelve hours of business courses.

FRONT ROW: Kay Johnson; Sarah Campbell; Sandra Reed; Sandy Holiday. SECOND ROW: Gloria Wagner; Rebecca Fryman; Katherine Callis; Charlotte Fuson. THIRD ROW: Hazel Walker; Karen Horrar; Dr. Oberita Hager, SPONSOR; Pat LaRosa; Linda Schradin; Linda Byrd; Karen Sintz.

Pi Tau Chi

FRONT ROW: Mrs. Gaynelle Tatum, sponsor; Mary Jo Thornton; Nancy Hill; Peggy Stuhldreier; Margie Halcomb; Gayle Anderson. SECOND ROW: George Pierce; Jane Smith; Helen Mullins; Sherry Bay; Jim Perks. THIRD ROW: Bill Maggard Jr.; Joe Porter; Rev. Dwight Lyonds; Mr. Willis Parkhurst, SPONSOR.

To those students who wish to distinguish themselves as Christian leaders, Pi Tau Chi offers religious enlightenment, support, and leadership. Representing all denominations, the Zeta chapter accepted four new members this year, which is granted only to those who have at least sophomore status and have been nominated by the members of the campus religious organizations. A spring banquet paid tribute to the new members elect.

LEFT TO RIGHT: Bill Collins, Jinx Warren, Mary Anne Doel, Carol Lowe, Jinny Melton, Paulette McWhorter, Dr. Charles Nelson, Barbara Percy.

Sigma Delta Pi

Sigma Delta Pi is an honorary for Spanish majors and minors who maintain a 3.0 in Spanish and a 2.5 over-all average. Initiated in January, 1969, Sigma Delta Pi is sponsored by Dr. Charles Nelson.

FRONT ROW: David Walters, Barbara Robbins, Susan Angerosa, Sandra Reed, Danny Sexton. SECOND ROW: Kenneth Tipton, Larry Bottom, Candy Johnson, Jane McGuire, Maurita Hampton, Linda Schradin, Linda Kindoll, Rita Osborne, Rebecca Frymen.

THIRD ROW: Jon Grim, George Wilson, Ralph Rollins, Mary Wellman, Donna Nichols, Janice Pope, Charlotte Fuson, Gayle Hines, Paula Brown.

Sigma Tau Pi

Founded in 1926, Sigma Tau Pi is one of the oldest honorary clubs on the campus. Its membership consists of business majors or students planning a career in business who have earned twelve hours of credit in business

while maintaining a 2.0 overall standing. Guest speakers are invited to each meeting and field trips are scheduled each spring semester. Sigma Tau Pi's activities are highlighted in the spring with an annual banquet.

Delta Sigma Rho-Tau

Kappa Alpha

Delta Sigma Rho-Tau Kappa Alpha involves those students who show a talent and scholastic achievement in debate, extemporaneous speaking, forensics, oratory, and public speaking. This nationally-chartered honorary was responsible for many of the notable speakers who made Eastern appearances. Other activities included sponsoring the British-Eastern public debate, the campus-wide Keene and Weaver oratorical contests, and serving as discussion and debate judges for the annual Regional High School Speech and Debate Festivals.

Robert King, sponsor; Carol Watson; Randy Nolte; Jerry House; Veronica Riggs.

BOTTOM ROW: Norma Justice, Jim Skaggs, Pat Bailey. SECOND ROW: Linda Neal, Brenda Beaty, Dorthy Marshall, Lee Diane Watson, Peggy Stuhlreyer, Naomi Meyer, Susan Pracht, Sharon Thompson, Polly Wyan, Betty Hupp, Barbara Williams,

Doris Dewyer. THIRD ROW: Allen Rust, Paul Fugate, Jim Gano, Arnold Cawthorn, David Snell, Don Buehler, Don Dickson, Roger Remer, Cleteus Burtum.

Phi Alpha Theta

Initiated in December of 1968, Phi Alpha Theta is one of the society's largest chapter organizations. This honorary is open to history majors who maintain a 3.0 over-all average. Meetings feature group discussion on current event topics and are held in professors' homes. The local

chapter makes awards to outstanding freshmen, sophomores and juniors in the field of history. Worthy students majoring in history are provided scholarships by the national organization.

Polity Society

The Polity Society provides an opportunity for those students who are interested in the field of political science and who have a 3.0 standing. Its purpose is to stimulate an interest in civic affairs and government service. To promote interest in these subjects, regular meetings are held to discuss the political problems of our day and ways in which they can be improved. A banquet climaxed the activities for the year.

FRONT ROW: Mr. Thomas Dunne, Elmer Frasure, Miss Jane Gurganus, Dr. Dwynal Pettengill, Linda Barth, Marilyn Stone, Mr. Robert Bruce. BACK ROW: Mr. Michael Cody, Frank Stackhouse, Phil Strebling, Guy Colson, Gerald Hutchins, Mr. W. E. Moomaw, Mr. Rodolfo Martinez.

Psi Chi

Psi Chi was initiated in 1968 as an honorary for students majoring in psychology. The members must have nine hours of credit in psychology while maintaining a 3.0 in their major and a 2.8 overall. Seminars with other universities and lectures by guest speakers afford stimulating discussions in the field of psychology. Psi Chi, a member of Collegiate Honor Societies, is recognized by the American Psychological Association. The organization was instrumental in naming the psychology lab after Dr. Hull, a former psychology teacher at Eastern.

BOTTOM ROW: Michel Catlett, David Lowe, Pauline Smith, Marva Perry, Donna Pohlmann. SECOND ROW: Dr. Douglas Hindman, Carol Byrd, Brenda Thompson, Phil Eastup, Diane Davy, Marsha Mahar, Don Crowder, Dr. James Lee.

Mr. and Miss Popularity

The true Spirit of Youth is not limited to the classroom and the laboratory, important as these are. It is also reflected by students who contribute to the social aspects of campus life for these, too, are important ingredients of a university community. Acclaimed by their fellow students on the basis of popularity, personality and poise in all areas of Eastern life are Mr. and Miss Popularity. Chosen in a campus-wide election were seniors Steven Okeson, biology and chemistry major from Andover, New Jersey, and Miss Joyce Mason, elementary education major from Carrollton.

Personable Steve Okeson is vice president of the Senior Class, president of Phi Delta Theta and a member of the Interfraternity Council. Last year, he was president of the Junior Class.

Miss Popularity, whose favorite pastime is being with people, reigned over the ROTC Brigade this year as Queen Athena. Also a nominee for Miss Eastern, Joyce is a member of the Chi Omega sorority.

ATHLETICS

2nd Straight OVC Crown Signals New Grid Era

Eastern football fans ran the gamut of emotions this season. They saw another Ohio Valley Conference champion. They watched with awe as the Colonels won the close ones and ran their unbeaten string in the league to 14 games. They taxed Hanger Stadium to standing-room-only capacity as it hosted the nationally ranked Colonels for the last time. Eastern's football success and a campus that is reaching its outer limits sidelined the 32-year-old stadium to make way for a new 20,000-seat complex.

The Colonels finished with an 8-2 record and ranked ninth in the country in the final college division wire service polls. It was an exciting team. One which displayed an almost uncanny ability to perform under pressure. One which could destroy the opposition on ground or by air. One which experienced heartbreak only briefly. One which took on a gruelling schedule and ten opponents bent on upset.

But most of all, one which was a winner.

The 1,000-word picture: Chuck Walroth signals triumphantly as the official's hands go skyward and a dejected Western player watches helplessly. It says victory.

SECOND ROW: Butch Troutman, Allen Baker, Doug Johnston, Brian Siemon, Harry Gibbs, Bill Bishop, Rick Dryden, Miller Arritt, Tom Shetler, Bob Webb, Dick Dunkle, Don Minor, Bill Brewer, Butch Evans, Don Moore.

THIRD ROW: trainer Mike Jackson, graduate assistant Fred Malins, Coach Jack Ison, Mark Shireman, John Ankney, Pat Sheridan, Sidney Yeldell, James Wilson, Ron Reed, Jim Demler, Dave Maupin, Ron House, Jim Guice, Phil Knauer, Ted Taylor, John Tazel, James Kelley, Coach Bill Shannon, Coach Bobby Harville, graduate assistant Elmer Stephens. BACK ROW: graduate assistant Bill Worrell, Fred Troike, Harold Joyce, Jack Armstrong, Ken Richardson, Donnie Evans, Tom Swartz, Paul Hampton, Jimmy Moberly, Don Wigginton, Head Coach Roy Kidd.

Coach Roy Kidd and familiar No. 12—quarterback Jim Guice—cook up trouble for a foe in one of their strategy meetings.

Eastern was, indeed, No. 1 in the OVC.

Colonels Flex Muscles Early, Reel Off Three Straight

Hillsdale ventured from Michigan to provide the first test for Eastern's defending OVC and NCAA Mid-east Regional champions. It was the annual Shrine Game at Ashland and a full house was on hand to see if Coach Roy Kidds' Colonels were for real. They were. The Colonels drubbed the Chargers 63-0 and Coach "Muddy" Waters — who called Eastern the finest college division team he had ever seen — admitted that the score could have been worse. It was an awesome display.

East Tennessee was next and the Buccaneers were braced for the upset. They had spent four weeks preparing for the Colonels, and brought the fight to Richmond. But a substitute quarterback, an Army veteran and a freshman slammed the door on the Bucs. Jerry Pullins kicked an OVC record three field goals and Bill March passed ten yards to Chuck Walroth on fourth down for a touchdown. Pullins' extra point made it 23-20 with 19 seconds to play.

Eastern carried its 2-0 record to Austin Peay the following week. The Colonels moved into a 21-0 lead, bogged down, suffered a mental error with 11 seconds left and had to slap down an attempted two-point Austin Peay conversion to preserve a 21-20 victory.

Caught in his own backfield, an Akron ball carrier braces for the oncoming Colonel defense.

Tangled arms and legs offer an interesting vantage point as Eastern's Jimmy Brooks picks up a first down against Murray.

Don Buehler goes high amid Murray defenders for a key reception in the 21-20 win over the Racers that sent a Homecoming crowd of 15,000 away happy.

Guice unloads against Akron just before the lowering of the boom from behind.

The gnashing of teeth and pounding of flesh against shoulder pads tell what football's all about. In this case, it also means a first down for Bob Beck (30) and Eastern against Murray.

Jim Brooks, the nation's top freshman rusher with 1069 yards, gains up the middle against Akron.

Colonels Spurt, Sputter Then Splatter Hilltoppers

Jim Guice, who had played in only four quarters during the first three games due to an injury, finally returned to form against Middle Tennessee. It was a nice form, too. Guice passed for 320 yards and two touchdowns and ran for six more points as Eastern romped 49-20.

Akron was next. The Zips, hungry for national exposure, played fired-up football but didn't appear to have the necessary manpower in the first half. Then an intercepted pitchout by an Akron lineman in the second half led to one touchdown. A bad punt minutes later paved the way for another Akron score and the Colonels couldn't recover. Final score: Akron 31, Eastern 20.

The loss simply added incentive to incentive.

The Colonels traveled to Western Kentucky, at that time the only unscored-upon team in the country. Guice was knocked unconscious early in the game and the Hilltoppers grabbed a 7-0 advantage. That touchdown cleared Guice's head. He returned to the lineup and directed Eastern to the Hilltopper 10 where he found Chuck Walroth with a touchdown pass. The Western crowd of 20,000 was stunned. So were the 'toppers.' Jimmy Brooks, a freshman who was beginning to find himself, almost out-rushed the entire Western team and the balanced attack proved too much. Mighty Western crumbled, 16-7, as several hundred Eastern students watched from outside the fences.

Football affords those moments of glory for the hero-worshippers, be it a precision pass over the middle, or seven maroon jerseys converging on a Murray runner.

An airborne John Tazel — with the ball tucked safely under arm — comes down hard with a big pass against Murray.

EKU Pops Racers' Bubble, Clips Eagles' Wings For Consecutive OVC Halos

Above: on defense — as mighty Western discovers — Eastern is like a giant maroon and white vise. Below: On offense — as Middle Tennessee finds out — the Colonels can go under, over or around you.

Murray provided the opposition in the Colonels' seventh game. The Racers were unbeaten and primed for the upset. It never materialized. Eastern took a 14-0 lead, allowed Murray to tie it up, scored another touchdown and then halted a Racer two-point conversion with seconds remaining to secure a 21-20 victory. It was hair-raising.

The Colonels were rolling. Especially since Brooks had developed into a devastating runner. He gained a school record 187 yards in 37 attempts against Tennessee Tech. The final score was 38-14, Eastern as the Colonels clinched a share of the OVC championship.

Then came a dirty shame. There was too much mud, and slop, and rain at Youngstown. The Penguins, down by one touchdown in the fourth quarter, found their footing and buried the Colonels, 26-12. It was a bitter defeat.

But once again the Colonels bounced back. Guice who surpassed the 5,000-yard mark for his career, threw to Don Buehler for two touchdowns, Brooks went over the 1,000-yard mark for the season and the Colonel defense, led by Jimmy Moberly, Teddy Taylor, and Tom Shelter, was downright stingy. The opponent was Morehead and the result was a 35-7 Eastern romp, for the Colonels' second straight OVC title.

Bill March holds as Jerry Pullins kicks a hole in the OVC record book and the vicious blocking of Bob Beck lowers the proverbial boom on one of many defensive players he felled during his four years at Eastern.

Like a proud eagle watching its prey, the Colonel offense (below) perches on the sidelines waiting for the defensive unit to halt a drive. Meanwhile, the master paces the sidelines, mapping his strategy as he communicates with an aide in the pressbox.

The Western stadium, packed with 20,000 Hilltopper fans, emitted the "sounds of silence" as the Colonels took command. The big noise — prompted by the strong right arm of Jim Guice — came from 2,000 Colonel fans OUTSIDE the stadium.

This, without question, is what happiness is . . . a convincing victory over Western . . . national ratings . . . an OVC championship. It's called success.

Colonels Shake Off Slump For Strong Season Finish

A close look at Eastern's basketball season reveals one very obvious fact: by season's end, there wasn't a better basketball team in the Ohio Valley Conference. The Colonels won nine of their last 12 games and seven of their last 10 league games. A closer examination shows that the starting unit was, in fact, 23 points better in the last half of the season.

For example, through the first nine games, Bobby Washington averaged 17.5 points. In the last 13, he averaged 24. Toke Coleman is another example. He carried a 16-point average after mid-season. And Boyd Lynch scored at a 17-point clip after becoming a starter in mid-January. So the improvement is obvious. And since nine of 11 players return next season, there's every reason for optimism.

The Colonels finished with a 13-9 record and were 7-7 in the OVC after dropping their first four league games. The entire season can be broken down into three stages. First came a 4-1 record which included victories over Ball State, Canisius, Marshall and Transylvania. The loss was a home defeat to Morehead.

Right: Boyd Lynch (30) and Toke Coleman both are high for a possible tip-in, but a teammate's shot has already swished the net in the Colonels' win over Marshall 100-95. Below: Willie Woods goes high over Ball State's Steve Burlingame for a bucket that helped Eastern to a 99-75 opening win.

Home Losses Smite Eastern's OVC Hopes

Then disaster struck. Dayton, down by one at half-time, battled back to defeat Eastern 85-76 on the Flyer's home court. But the Colonels returned to the friendly confines of Alumni Coliseum for two important league games. Both Austin Peay and eventual league champion Murray did what they weren't supposed to do—beat Eastern at Richmond. That left the Colonels with an 0-3 OVC record and they hadn't even played a road game yet.

To make matters worse, the next game was at Western Kentucky. Once again, Eastern had a brief, tell-tale lapse and the Hilltoppers pulled out a 73-60 victory.

That was the turning point.

Bobby Washington, getting the step on Marshall's Dan D'Antoni (*above*), and leading the Colonel fast-break against Ball State, is at his best picking apart opposing defenses.

Gary Paul and Marshall's Jim Davidson stage a personal battle for the ball under the watchful eyes of teammates and the referee.

Above: Toke Coleman seems to think the secret to rebounding is "holding your mouth right" as he out-hustles his Marshall foe. Below: Morehead's leaping Lamar Green takes a missed shot off the boards away from Eastern's Gary Paul and Carl Greenfield in the Eagles' 73-60 win.

Big "E" Regroups on Road, Begins Comeback Battle

Middle Tennessee was next and the Colonels regrouped. They overcame a 12-point second-half deficit and Toke Coleman's last second shot gave Eastern a 90-89 overtime victory on the Blue Raider's home court. The following week Coach Guy Strong took his club to East Tennessee. With Bobby Washington showing the way, the Colonels left with a 70-69 victory.

Then came triumphs over Tennessee Tech and Virginia Tech, a heart-breaking 81-79 loss at Marshall, and an impressive 92-72 win over powerful St. Francis.

Carl Greenfield (*above*) muscled in this shot against Austin Peay's masked Howard Wright, but the Colonels lost at home. Toke Coleman (*left*) and Bobby Washington (*below*) provide a guard combination that proved too much for Tennessee Tech and Virginia Tech.

Even a little body contact from a Virginia Tech player (*left*) can't keep Boyd Lynch's deadly jump shot out of the air. A highly rated St. Francis squad found a strong Carl Greenfield (*above*) too much to contend with under the boards.

Win Over Western Kills Topper Hopes

A loss to Morehead only served as a hypo as the Colonels prepared for their revenge battle against Western. The Hilltoppers were in the thick of the title chase and appeared to be peaking. But Washington and Coleman were at their best, especially in the overtime period in which they out-scored Western eight points to gain a 85-77 victory. Washington's dribbling act at the end gave Colonel fans something to yell about. Western fans, meanwhile, were ever-so quiet.

A trip to Murray for a game with the OVC leader was next on the agenda. Strong's coaching and Coleman's outside shooting gave the Racers their biggest home scare of the season. Murray prevailed 80-78, but not before some anxious moments at the end.

The Colonels followed up with impressive wins over Austin Peay, Middle Tennessee and East Tennessee. Washington put on his greatest performance in his final appearance before the home folks, scoring 32 points and 13 assists. Eastern closed out with a 92-87 loss at Tennessee Tech despite a tenacious second half sparked by Lynch's 33 points. Washington was sidelined with an injury and did not play the final game.

Boyd Lynch and a Hilltopper foe (*above*) seem to have the dancing urge; while Bobby Washington (*right*) teaches Western another step as he flips a shot toward the basket.

Tim Argabright's strain mirrors the determination the Colonels displayed in their spectacular comeback.

Baby Colonels Post 12-6 Mark

Eastern's freshman basketball team served notice to the future this season with an impressive 12-6 record against the strongest competition available. Coaches Guy Strong and Jack Hissom recruited three guards and a forward and fashioned them into a well-synchronized unit.

They parlayed quickness and a keen shooting eye to defeat some outstanding junior college competition as well as the top freshman teams in this part of the country. The Baby Colonels boast a road victory over Dayton's freshman team—something which couldn't be accomplished by either Kentucky or Louisville.

George Bryant was the leading scorer with a 24.4 average per game. Then came Charlie Brunker (15.4), Billy Burton (15.0), Mike Rogers (13.4) and Daryl Dunagan (13.3 and 12.5 rebounds).

Burton, selected most valuable player on an objective point system, joined Bryant on the All-OVC freshman team. Brunker and Dunagan were second-team choices.

Two All-Americans Van Colonel Runners

Two University Division All-Americans and the Kentucky Federation team championship highlighted Eastern's 1968 cross-country season.

Grant Colehour, a finalist in the Olympic team trials last summer at Lake Tahoe, California, finished fourth in the NCAA meet at Manhattan College, becoming the first university division All-American in Eastern history. Not far behind was Ken Silvius, a sophomore, who finished 14th, also earning All-American status.

It was Colehour's seventh All-American certificate.

Coach Conan Smith's runners swept through the regular season undefeated, winning four invitationals, including the Atlanta and Craig Air Force Base meets, the Daytona Beach Run and the Kentucky Federation Meet. The Colonels handily disposed of five opponents in dual encounters.

The distance runners, short of manpower, finished third in the Ohio Valley Conference despite the fact that Colehour and Silvius finished 1-2 to gain individual honors.

Eastern finished the season with a record of nine victories and one loss.

Bunched in the early going, the runners didn't stay packed long as Eastern strided to an easy 18-95 win over Cumberland.

Eels Splash to Seventh Straight State Championship

Eastern's "electrifying" Eels splashed to their seventh consecutive Kentucky Intercollegiate Swimming and Diving Championship this year as they celebrated their first year of competition in the NCAA's University Division.

The Eels swam to a 9-1 dual meet record, the only loss coming to Southeastern Conference power Alabama (67-46) in the Tide's pool. Competing in two invitational meets—the Illinois Invitational and the Indiana Invitational—the Eels brought home two third-place trophies. They finished behind the same two teams, Southern Illinois and Indiana State, in both meets.

The seventh straight state title was managed handily

by the Eels, who claimed 10 of the 16 first places. Eastern out-distanced its nearest rival, the University of Kentucky, 619 to 469, breaking four KISC records in the process.

Ron Holihan, who bettered the existing record for the 200 butterfly in every pool this year, was the leading point-getter with 52 in the state meet. He was Eastern's only qualifier for the University Division championships.

The 400-yard freestyle relay team of Rich Anderson, Jim Schwarz, Pete Reed, and Karl Brubaker went undefeated during the season, recording the nation's 28th best time.

Jim Schwarz, sporting a "low drag" Mohawk hairstyle, stretches out over the water as he starts his leg of a freestyle relay race.

Eastern's baseball team drew large crowds for its home games. Some even found the view better from beneath the bleachers.

Cain, Borgia, Escobar Spark

Hard-Luck Baseball Team

Tell-tale injuries and a belligerent weatherman prevailed as the baseball team registered a 12-8 record for the season. For most teams, that constitutes a respectable record. For Eastern it was disastrous.

After an opening loss to Wittenburg, Transylvania became the first of four straight victims which allowed the Colonels to push across double-figure scoring. Included was the University of Kentucky, which fell 14-3 as Jimmy Cain, Frank Borgia, and Louie Escobar provided the punch. A 4-3 loss to North Carolina offered the only blemish since the season opener. But injuries to an already weak pitching corps began to take its toll. Eastern won four of its next five games and then the roof fell in.

Morehead squeaked out a 1-0 victory in a crucial OVC contest. It was a heartbreaker for pitcher Frank Andrews and set the theme for the remainder of the season. Eastern lost five of its last eight games and reached a low point when Lincoln Memorial University pounded out a 19-7 triumph. Coach "Turkey" Hughes elected to use his younger pitchers against LMU, saving his veterans for a league game with East Tennessee the next day. And the next day, the rains came. The strategy had backfired.

Gleaming cleats tell a shortstop to "jump, baby, jump." Rick Houseman said just that as he broke up a Tennessee Tech double play.

National Pastime

Has Many Faces

Baseball, like all athletic events, is a game of emotions. And Eastern ran the gamut during its see-saw season. Success was not in abundance, although the Colonels did win more than 60 per cent of their games. Frank Borgia and Jimmy Cain provided a few of the bright spots. Borgia's .474 batting average ranked fifth in the entire country according to the National Collegiate Sports Service. Cain, meanwhile, was among the national leaders in extra-base hits. He was sixth in home runs with six and finished third in the runs-batted-in category with a total of 25.

Narrow defeats took their toll on a shallow, injury plagued pitching staff. Although a strong batting contingent absorbed the weaknesses and kept the Colonels in gear, the weatherman had the final word. He said, very simply, that the Colonels were not a title contender. It was a puzzling, disappointing way to become spectators for the title game.

Baseball has many faces. With victory comes jubilation while sadness accompanies defeat. For pitcher Ron Andrews, the consoling hands of a friend eases the pain.

Above: Larry Robertson unleashes a curve with a fierce flip of the wrist and a look of determination. *Left:* Baseball's two extremes also are mirrored at the plate. Track Team Finishes

Third in OVC

It would be a gross understatement to call Grant Colehour the highlight of the track season. He was, perhaps, the highlight of the athletic season. Colehour won the NCAA college division in the 10,000 meters and the 5,000 meters. He progressed to a berth on the Olympic tryout team at South Lake Tahoe, California and made an impressive showing despite missing a spot on the honor team in Mexico City. Colehour now has earned All-American status six times. Their greatest strength showed in the distance events and relays. Coach Connie Smith — preferring exposure in the prestigious relay meets — displayed the team only once for the home crowd and Eastern came out on top in a triangular meet with Kentucky State and Morehead.

Best-Ever Record Spices Golf Season

THE '68 GOLF COLONELS: Coach Glenn Presnell, Bob Bower, Jack Good, John Newton, Paul Schultz, Ron Roby, Jimmy Martin, Jimmy Saunders, and Jim Gregg.

Coach Glenn Presnell smoothed out the rough edges of Eastern's golf team and produced the finest record in the school's history. Eastern mastered 15 of its 18 opponents, fashioning an impressive aggregate score that could match any of the finest teams in the country. Counted among its victims were Kentucky, Cincinnati, and Dayton.

Led by Jack Good, Ron Roby, and Paul Schultz, the Colonels golfers found great success in match competition but lost two of three in medal play. The Colonels had trouble adjusting to course conditions in the Ohio Valley Conference meet but recovered well in the second day of competition to finish third in team standings.

Dayton edged Eastern in the first meeting between the two schools but the Colonels found their home course more to their liking in the return match and drubbed the Ohio school 17-1. Cincinnati also split with the Colonels and Louisville was the only team to defeat Eastern in a dual meet. In the Marshall Invitational, the Colonels finished fourth in an impressive eight-team field.

Snyder and Riggins Provide 1-2 Punch

"Sparky" Snyder and Lindy Riggins provided the 1-2 punch as the Colonel tennis team defeated all but two of its opponents during regular season play and finished third in the Ohio Valley Conference tournament. Tennessee, one of the strongest teams in the south, turned back Coach Jack Adams' netters 3-6 while Western avenged an earlier 7-2 loss to Eastern with a 1-5 victory.

Snyder, the No. 1 singles player, tackled the opponents' top men each time. His strong service and deceptive quickness was one of the prime ingredients in Eastern's success. Riggins, who pushed Snyder all season for the No. 1 job, proved equally effective in singles play.

Counted among the Colonels' victims were Kentucky, Virginia Tech, Indiana State, and Ohio University.

Desire, Pride Spell Success for Eastern's Matmen

Desire and pride exemplified the 1968-69 wrestling team. Each individual had to carry an unusually heavy load through a long hard season. One of the key factors adding to the challenge was Coach John Pavlisko's task of developing an intercollegiate program after a four-year layoff.

Eastern compiled a 7-4 record against opponents which had established wrestling teams. The matmen pulled more than their load in every match, as they had to come from behind each match due to injuries and lack of personnel. The will to win was shown especially in the Centre match, in which Eastern had to forfeit 20 points and still came back to win 31-20. Co-captain Joe Howard was lost in the match due to an elbow injury.

Ron House was voted the most valuable wrestler of the team. Senior Roger Remer was named most improved wrestler. The 100% team award was earned by John Mautner.

Riflemen Take Split in Six Dual Meets

Eastern's senior-laden rifle team managed a .500 season over a schedule of six dual meets, and finished fourth in a 13-team field in the Cincinnati Consectional Meet, missing third by one point.

The marksmen, led by senior Dan Dillman's 264 season average, won their opener over Middle Tennessee, and also scored wins against Western and Dayton. Losses were at the hands of Cincinnati, Xavier, and Murray.

Facing next year's rifle team will be the challenge of building a squad around only two returning lettermen.

INTRAMURALS

Intramurals Fulfill Competitive Needs

Eastern's intramural program, under the direction of Dr. Barney Groves, has grown to become an integral part of the athletic program. For those who do not compete on varsity teams, intramurals has provided a recreational, athletic outlet.

A system featuring two divisions of competition—fraternity and independent—was a key factor in the increased interest in intramurals. This year more than 2,700 men participated. At the end of each team sport, the fraternity league and independent league champions met for the campus-wide title.

Intramural sports center around football and basketball in the fall semester and volleyball and softball in the spring. However, there is an extensive offering of other team and individual sports. Competition was also held this year in archery, billiards, cross-country, decathlon, handball, hole-in-one golf, swimming, table tennis, tennis, track, tug-o-war, weight-lifting and wrestling.

Football (*above*) kicks off intramural activity in the fall, while fleet feet and crisp blocking (*below*) display their value in a spirited flag football contest.

Line-of-scrimmage formations are limited only by the imagination as these intramural gridders display.

This flag football chase results in a tooth-rattling confrontation with Mother Earth for an intramural ball-carrier.

Determination under the boards (*above*) is an important factor in intramural, as well as varsity, basketball.

A little one-on-one backcourt play (*below*) is a prelude to a driving layup attempt in this intramural contest.

Women's Intramurals Aim for More Involvement

The women's athletic program, directed by Mrs. Mildred Maupin, strove for increased participation this year by selecting a wide variety of activities.

The scope of the activities were planned so that students of all skill levels could compete. An intercollegiate program in field hockey and basketball were offered to meet the needs of the exceptionally talented coeds.

Competitive units were formed by sororities, dormitories and other independent groups for participation in soccer, basketball, tennis and swimming on the intramural level.

Basketball is a woman's game, too, and when Eastern's coeds take to the floor the results range from hard-played, well-executed action like that above to the graceful and comical, displayed on the next two pages.

Girls are proud of their femininity and gentleness, but as this series of photographs of women's field hockey displays, they don't waste it on each other.

Acrobatics Demands Precision and Conditioning

Members of Eastern's acrobatics squad display strength and grace in a variety of activities. Precision is required in each of the phases of acrobatics demonstrated here, with mood depicted by facial expression—intense concentration (*above*); concern (*above, right*); and a little amusement over the whole thing (*below*).

ORGANIZATIONS

STUDENT ASSOCIATION OFFICERS: Pat Newell, treasurer; Steve Wilborn, president; Neill Day, vice president; Toni Eastham, secretary.

Student Association Takes on More Active Role

The Student Association attempted to take on a more aggressive role this year by sponsoring legislation, through the Student Council, its representative body, that would dramatically affect the student life at Eastern.

The Council, chaired by Steve Wilborn, president of the Student Association, passed a resolution proposing a pass-fail system to be established on a three-year trial basis. As a result of the insistence of the Council, a more efficient method of processing student organizations accounts was effected.

The Experiment in International Living, a cultural exchange program sponsored by the Council and the University, enables an Eastern student to spend two summer months in a foreign country. Selected this year to visit in England was Miss Cindi Dorman, a sophomore from Covington.

In an attempt to up-date the organization and improve

the efficiency of the Council, a constitutional revision committee was named to thoroughly study the constitution and recommend revisions.

Other activities attempted by the Council included a student discount system and a free speech union. Nearly 1,800 students purchased discount cards from the six Richmond merchants who participated.

The free speech union proposed to lay the path for controversial and informative speakers to be brought to the campus. The first speaker heard was a young Negro student whose speech was entitled, "The Negro and the Status Quo."

The Council also helped plan many of the activities for Freshman Orientation Week, sponsoring the Josh White Concert and assisting with other functions in an effort to make freshmen feel welcome at Eastern.

SERVICE

Service Involves a Multitude of Activities

With all the organizations on campus students seldom realize the important role Eastern's service clubs play. These non-profit organizations' only reward is the feeling of self-satisfaction and pride they get from helping others. Along with activities on campus such as serving at banquets, helping out during band day, and boosting school spirit they also serve the community of Richmond by making Thanksgiving and Christmas baskets for the needy and working at Telford Center with underprivileged children. Every organization has a purpose and these clubs fulfill theirs with enthusiasm and hard work.

Circle K Club

Drives for Thanksgiving canned food, Toys for Tots and collection of boots for the needy children of Richmond were among the many service projects of Circle K Club. As a safety campaign Circle K distributed safe driving leaflets for Christmas and Spring breaks and also painted crosswalks on campus. During registration week the boys carried books purchased by the coeds from the Campus Bookstore. During the week of homecoming float building Circle K was in charge of Hi \$ Warehouse. The members also attended workshops throughout the year to help promote citizenship and leadership among themselves.

It's football time again, and Kappa Delta Tau Service Sorority opened the season at Eastern with the annual Powder Puff Football game during Orientation week. This year's game was played against Kappa Phi Delta and although Kappa Delta Tau lost, fun abounded and the new school year was officially underway. For the first time, this year the Kappa Delta Tau pledges were organized into their own pledge class with officers and a variety of activities to keep them busy. As in the past, serving at banquets has been a major club project as well as serving as guides during Band Day. A new goal this year has to bring school spirit to its highest peak.

During the Thanksgiving season, both actives and pledges gave a basket to some deserving families and before the holidays, they pumped gas for a money-raising project. Caroling for the Old Folk's Home and a party for children living in Brockton, brought Christmas closer to these girls. The traditional tapping ceremony and breakfast was held for the pledges, and the formal initiation was held at the Spring Banquet.

Pledges and banner spurred school spirit as the Colonels left for Western.

Dan Crum, president; Ken Patterson, vice president; Candy Johnson, secretary; Harry Blue, treasurer.

Young Republicans

Eastern's Young Republicans Club has the honor of being the largest on campus, in the state, and also third largest in the nation. Their aim is to stimulate interest and participation in government and the Republican Party. They upheld this aim in this year's elections by passing out materials, babysitting for people while they voted, and providing transportation to the polls for those who had no other way. With elections over, they traveled to Louisville for the college Young Republicans Convention and ended the year with a banquet.

Marlow Cook takes time from his campaign to address Eastern Young Republicans.

Young Democrats

The Young Democrats Club started this year in full swing as they plunged tirelessly into helping with the elections. The aims of this organization are to involve students in politics and make them more aware of the existing problems of today's government. They support this aim by such projects as sponsoring speakers on campus and having panel discussions on important political issues.

The Young Women's Christian Association, a service club, was one of the first organizations formed on Eastern's campus. The main service projects of YWCA consist of doing things for the children at Telford Center. The girls gave Halloween and Valentine parties for the children and sponsored tutorial programs. The tutorial programs consisted mainly of sewing and cooking projects for the girls who came to the center.

During the Christmas season, the YWCA was responsible for the Hanging of the Greens Ceremony officially opening the holiday season on campus.

The Easter Sunrise Service was another important project undertaken by these girls for the spiritual benefit of interested students. Finally, the girls raised money for a donation to the Patty A. Clay Hospital building fund.

Children receive a warm smile of welcome from Mrs. Mary Carroll at YWCA's Valentine Party for the children of Telford center.

KYMA Club

KYMA, Eastern's pep club, has been in existence since 1939. During these years, this organization has tried to booster the spirit and enthusiasm of Eastern students in every facet of college life.

KYMA club sponsors the sale of beanies during Freshman Orientation Week. A new activity this year for the organization was the Spirit Contest. A spirit stick was given to the most enthusiastic group at pep rallies, and the group winning the stick the greatest number of times received a trophy. The Sadie Hawkins dance is an annual club activity as well as the Snow Ball dance held during the spring semester.

The Eastern Cheerleaders and the Little Colonels are under the sponsorship of KYMA. This past summer the cheerleaders traveled to Hattiesburg, Mississippi to participate in the National Collegiate Workshop. They were honored with seven second place ribbons in competition against other cheerleading squads throughout the United States. The thirty-two Little Colonels marched in the Homecoming Parade and for several basketball games. These girls have new uniforms this year bought by KYMA and rented to the girls.

Pompons and girls create an interesting half-time show.

RELIGION

Religion Combines Ceremony and Leisure

Of all the aspects of campus life, religion cannot be neglected. Although the religious organizations on campus are sometimes pushed into the background by studies, classes and other activities, they do serve a vital role in college life. These organizations are sponsored by different Faiths and, through them, students can develop their spiritual being and participate in church life.

The BSU provided a wide variety of activities to interest the students on campus.

Vesper services were held through the week and included speakers, films, panel discussions, and Bible studies. The BSU choir went on tour twice during the year and took several local trips to raise money for summer mission projects.

The Young Woman's Auxiliary and the young Bachelor's Association met weekly for dinner and programs, and members of BSU attended statewide meetings such as the State BSU Convention and the Spring Leadership Training Conference.

Service projects of Baptist students included tutoring aid summer missions. Two students have been appointed to serve as Baptist Student Union summer missionaries while many others have applied to serve as summer missionaries under the Home Mission Board.

The Newman Club combined a program of both service and fellowship to enrich the lives of the Catholic students on campus. The club sponsored the annual Mardi Gras dance in February and in March members went on retreat to Marydale Retreat House in Cincinnati.

The group took trips to Appalachia to do voluntary missionary work with Father Ralph Briting in Mount Vernon. Several of the Newman members worked for the Richmond Federal Credit Union in the east end and volunteered with various community action projects in the city.

Other activities were the annual Thanksgiving Banquet for foreign students on campus, visiting at the county old folks' home, Christmas caroling, cooking dinner on Wednesday nights, and a supper program of study and fellowship on Sunday evening.

For the second year, the group assisted the pastor in work with a smaller Presbyterian church in the city, developing the leadership capacities of the members and working with the Sunday School and youth groups. WF works closely with the Interfaith Council together with the other religious groups in bringing movies to campus, tutoring, participation in a live nativity scene, and the planning of the Freshman Week vesper service.

Delegates were sent to the December Quadrennial Conference in Atlanta, and to the summer conference in Montreal, North Carolina.

Westminster members present a program about the Quadrennial Conference they attended in Atlanta.

DEPARTMENTALS

Departmentals Specialize Interests

Learning is the most important goal in education but departmental organizations give students the chance to further their knowledge in subjects that are of interest to them and make new friends who share this interest. Through these organizations, students can learn beyond what is required in the classroom.

Right: Learning to milk a cow is one of the delicate operations an Agriculture major learns. *Below:* Field hockey could be a dangerous sport but is still enjoyed by these members of W.R.A.

Top: Examining bones, muscles and nerves, Caduceus Club members further their knowledge in the field of medicine. *Left:* Building your own radio was one of the many projects of the Industrial Education majors.

Departmentals have given students the opportunity to further develop their interests in a particular field, through stimulating programs and fellowship.

The Accounting Club has taken trips to General Electric and to IBM and Owens, Potter, and Hisle Accounting Firm. The main program this year for the Agriculture Club was to set up a four-year academic program in which undergraduate training could be received without transferring to another institution. Each year the Association for Childhood Education undertakes a special project for enriching children's lives. The Biology Club has successfully sponsored the Audubon Lecture Series. At each meeting of the Caduceus Club, a different speaker was present to speak on his particular field of medicine.

The Chemistry Club brings other aspects of the field to its members, other than what is presented in class. The members of Ciruna attended several conferences during the year: The Mid-West Mock U.N. Assembly at St. Louis, the Mid-East Mock U.N. Assembly at Bethany, West Virginia and many others. The Eastern Debate Team represented the University in intercollegiate debate. They traveled in a ten-state area and were not limited to any one conference. The Home Economics Club of Eastern is, for the first time, associated with the national professional organization of home economists, The American Home Economics Association. The Health, Physical Education, and Recreation Club, known as HPER, planned faculty fitness programs and skill demonstrations.

ARTS

Arts Express Creative Talent

College is a time for furthering one's education; it is also a time for broadening other qualities of one's life. The arts take in a multitude of shapes, forms and activities, ranging from music to gymnastics. Many organizations on campus offer every student an opportunity to contribute through time and talent to the many varied forms of art.

Kappa Kappa Sigma members display the skill and timing required for synchronized swimming.

Eastern's Little Theatre

Eastern's Little Theatre was organized to promote and support theatre interest and activity on campus. This year they have taken over all box office and publicity responsibilities. Along with presenting numerous plays throughout the year they also find time to work with the children at Telford Center and Richmond Community Center.

Little Theatre performers learn to convey meaning through expression.

Eastern's Music Department has achieved much acclaim throughout the state and has been one of the most active departments on campus. The Symphony Orchestra presented concerts for the community and the student body, and went on spring tour to present programs for several high schools in Kentucky. The highlight of the year was the performance of Handel's "Messiah," the traditional Christmas program, in conjunction with the Choral Department. The Marching Maroons add sparkle to the football season with their half-time shows, as well as providing a pep band for the basketball games. The Twilight Concert series was held again in the spring, outdoors in the Van Peurseum Pavilion, sponsored by the Symphonic Band.

GREEKS

Youth's Spirit Is Embodied in Bonds of Greek Life

To 500 students, the Eastern Community took on added meaning. These were the members of the Greek Community who were guided by such key words as involvement, service and dedication.

These were the students who contributed themselves to the activities and goals of their respective group, attaining a sense of pride and accomplishment for their efforts.

The Greek Community—eight fraternities and five sororities—continued its history of contribution to the University through service functions and a continuing emphasis on school spirit.

Activity Highlights Greek Life

Right: Football season at EKU is full of excitement and zest and Greeks play an important role in creating spirit. *Below:* Tau Kappa Epsilon was one of the attractions of the carnival held for Freshmen during orientation week. *Below Right:* On Band Day, members of Phi Delta Theta sold Eastern pennants to both students and visitors.

Competition Raises Spirit

There was much opportunity this year for competition in Greek life. There was the spirited, good-natured competition among the Greek organizations themselves as they sought new members and planned activities.

Athletic competition was part of the action, too. The intramural program had separate leagues for the Greeks, and a fraternity-sponsored invitational basketball tourney was a winter highlight.

Above: Members of Sigma Nu Colony prepare to leave the campus in the "Sigma Nu Special" for the game-of-the-year at Western. *Left:* Phi Delta Theta Colony battles out the basketball championship against Beta Omicron Chi.

Rush Creates Anticipation

Sleepless nights of anticipation . . .
So many names and faces to remember . . .
The climax of preference night . . .
Early morning tapping . . .
All is worthwhile to the proud bearer of a
pledge pin, and the new title of brother or
sister has a nostalgic sound.

each guest. *Bottom:* Chi O's sing out their message of
welcome to rushees.

As Rush Approaches, Greeks Attain National Affiliation

The Spring Semester rush was an important time for Eastern's Greeks. Besides the pressing drive for new members, there was the excitement of national affiliation.

A major step in the growth of Eastern's fraternity and sorority systems was accomplished with the advancement from colony to chapter status of three fraternities and four sororities.

Left: A rushee reads over the Charter of BOX fraternity as he pauses at the table displaying various credentials. *Below:* At the KA table, rushees glance at pictures of some fraternity activities to see what might be in store for them as potential pledges.

Pledges Endure a Variety of Experiences

Pledges are usually easy to spot and can be seen engaged in nearly any activity from collecting money for a worthy cause to being hit in the face with an egg. Whatever they're doing, it's done in good spirit, and exemplifies the fact that Pledges add sparkle to Greek life.

Above: Once again, BOX, at their annual pledge shoeshine, kept the shoes of Eastern's students shining. *Right:* On Eastern's campus you can find most any kind of person. Even the "Ugliest Man."

Left: "Oh, that cold water feels good!" exclaims one pledge at a balloon-throwing contest. *Bottom:* Happiness was found by one of these three males at the Kappa Delta "Dating Game." *Below:* Fraternities and Sororities shared the joint agony of those raw eggs.

Greek Life Is Lasting

Greek life is all encompassing. Whether it involves working together or just having some good times, brotherhood is foremost. Lasting friendships are built and a sense of pride exists for each accomplishment of a brother or sister. The symbols of unity are many, but for a Greek, those certain Greek letters have a precious meaning.

Right: A KA pledge polishes the crest as one of the many tasks required by actives. *Below:* In this DU room in Todd Hall are found two brothers who enjoy living under their beds.

Top: ADPi's enjoyed working on a skit presented to the Grand Council who visited Eastern for the sorority's national initiation. *Left:* Theta Chi brothers work together on various projects displaying brotherhood. *Above:* A room becomes a meeting place and a break in the day's schedule to relax and talk.

Alpha Delta Pi was involved in many social activities and service projects this year. In November they co-sponsored a Muscular Dystrophy Drive with Kappa Alpha and Beta Omicron Chi; \$850 was collected. At Thanksgiving and Christmas they sent baskets of food to needy families, had parties for underprivileged children, and "caroled for cans" with other Greeks. Alpha Delta Pi co-sponsored a dance for freshmen during orientation week with Kappa Alpha and sponsored an all-campus dance featuring the "Purple Bus Stop." In November Alpha Delta Pi's Leg-Face Match Contest was the center of attention at the Student Union Grill.

Alpha Delta Pi is a national social sorority founded at Wesleyan College in Macon, Georgia, May 15, 1851. It was the first national secret society for women. The former local sorority, Delta Theta Pi, affiliated with Alpha Delta Pi October 30, 1968, when thirty-three members were pledged. A February initiation preceded their first rush as nationals.

A mixer for all Greek women, using "Friendship is the Key to Sisterhood" as the theme, started off the year for Alpha Gamma Delta. Other activities included the Open House for prospective rushees, the Greek Holly Ball, a party for Alpha Gamma Delta Alumnae, and their annual Roaring-Twenties party in the spring for pledges. Each month a new service project was selected. Some of these were collecting canned goods for Thanksgiving baskets, giving a Christmas party for needy children, caroling to rest homes, working with the Cerebral Palsy class at Model, sending Valentines to shut-ins, sponsoring an Easter egg hunt for underprivileged children, and presenting a puppet show for children in hospitals.

Alpha Gamma Delta was formerly a local sorority, Pi Alpha Theta, formed in 1966, when the Administration permitted sororities on campus. Now Pi Alpha Theta is Gamma Omicron Chapter, the 100th Chapter of Alpha Gamma Delta fraternity and the first Panhellenic group on Eastern's campus as of their installation, October 26, 1968.

Chi Omega

Chris Brewer *President*
 Sue Scola *Vice President*
 Lee Ratliff *Secretary*
 Lillian Wells *Treasurer*

Chi Omega's began their year by sponsoring a carnival during Orientation Week. During the rest of the fall months, they busied themselves with such activities as campus dances, collecting for the heart and cancer funds, working on their Homecoming entry, visiting an old folks' home, working on class election polls, and presenting their annual fashion show entitled "Break Through in Fashion," in cooperation with the U shop.

As winter arrived, the Chi O's held their traditional Christmas dinner, the Holly Feast, and attended the Greek Holly Ball, sponsored by the Inter-Sorority Council. Rush was the main attraction for spring, followed by the Spring Formal to draw the year to a close.

Founded at the University of Arkansas April 5, 1895, Chi Omega's Eastern chapter was established at the University as Lambda Phi Omega October 10, 1966. Originally numbering twenty Charter members, this sorority has increased to twenty-seven members with twenty-four alumnae.

Kappa Delta's kept busy this year with both social and service activities. They were involved in monthly service projects and fund raising drives such as a rummage sale. Their national philanthropy is working with the Cerebral Palsy children at Model and throughout the year various activities were planned for these children. At the beginning of the year, the Kappa Delta's again presented their Mock Dating Game. The sorority was involved in its own Christmas ceremony and Christmas dance in addition to the Greek Holly Ball. The important activities in the Spring were rush, the annual Senior Breakfast and the Spring White Rose Formal

October 18, 1966, Eastern accepted Alpha Pi Kappa to the campus. In the Spring of 1968, they petitioned the national sorority, Kappa Delta, and December 7 the pledges of Kappa Delta were installed as members of Kappa Delta sorority. Kappa Delta was founded October 23, 1897, by four women at Longwood College and was the first sorority established in the state of Virginia. The sorority now includes 105 chapters and over 60,000 members.

Kappa Phi Delta, Eastern's newest sorority, entered Greek life with much enthusiasm. Kappa faces became familiar on campus from the beginning of the year, when they served as orientation guides. During the fall weeks, they busied themselves with a city-wide "clean-up" day and leaf rake, collecting for UNICEF. Throughout the year they participated in other service projects such as sponsoring a Korean orphan, helping with the Richmond Community Center, and sending packages to Viet Nam for Christmas. One of their highlight projects was a coffee house called the "Kappa Kafe". Kappa's were proud to begin their year also by winning the Powder Puff Football Game, beating Kappa Delta Tau. Parties, dances, the Greek Holly Ball, and their May Celebration also gave the girls a whirl of social activity. Each month the Kappa's chose a "Kappa Kutie" from the men on campus and besides taking this "Kutie" to dinner, they did various other tasks for him such as laundry and ironing.

Kappa Phi Delta was recognized as a local sorority on Eastern's campus in May of 1968.

Beta Omicron Chi

Bill Barrett *President*
 Richard Warren *Vice President*
 Jack Rench *Secretary*
 Dan White *Treasurer*

Beta Omicron Chi joined Alpha Delta Pi and Kappa Alpha Order in collecting money for Muscular Dystrophy. November's highlight was a Thanksgiving banquet. In December, BOX brought "The Exciters" to Eastern for one of the many campus dances they annually sponsor. Fall and spring formals were among the main social events of the year for BOX. Beta Omicron Chi received the first Fraternity Scholarship Award, and was the all-fraternity and all-campus intramural sports champion for 1967-1968.

November 22, 1966, Beta Omicron Chi received recognition as a social fraternity on Eastern's campus. Although it is a local, Beta Omicron Chi has definite plans for affiliation with a national organization.

Delta Upsilon

Dennis Day *President*
 George Wolski *Vice President*
 Gerry House *Secretary*
 Finley Cain *Treasurer*

Active in campus and community service and social projects, Delta Upsilon's activities for the year included a Halloween party for the children of faculty members, food baskets at Christmas for needy families in the Richmond area, and several match parties with Eastern's sororities.

The fraternity, founded nationally in 1834 and locally in 1966, was formerly known as Alpha Chi Lambda and instituted as a colony of Delta Upsilon International November 10, 1968. Being the only non-secretive fraternity at Eastern, Delta Upsilon has also come to be known as "The Unpledge," meaning that new members are initiated as Junior Actives, becoming active members upon completion of training in the four principles of Delta Upsilon.

Kappa Alpha Order

Neill Day *President*
 Mike Wills *Vice President*
 Guy Colson *Secretary*
 Richard Sellman *Treasurer*

Kappa Alpha Order has been active in both service and social activities in '68-69. The KA's collected money for Muscular Dystrophy with Alpha Delta Pi and Beta Omicron Chi, and during Orientation Week the brothers sponsored their annual all-campus dance with Alpha Delta Pi. In addition to the Homecoming festivities, a Christmas party and pep rallies, Kappa Alpha sponsored two other special social events. In January, the KA's had Convivium in observance of Robert E. Lee's birthday. The culmination of the KA's year came in the spring when they proclaimed Old South Week.

In 1968, the KA's finished second in the Tau Kappa Epsilon basketball tournament, and received honorable mention for its float in the Homecoming parade. The year also marked Jason's third birthday and his second year as the KA's mascot.

Eastern's chapter of Kappa Alpha Order was originally founded as Gamma Delta Tau in the fall of 1966. Since Kappa Alpha's founding at Washington and Lee University in Lexington, Virginia in 1865, the Order has stressed the traditions of the Old South, as were exemplified by its spiritual founder, Robert E. Lee.

Throughout the year, the Phi Delts became involved in many campus activities including Homecoming, promoting school spirit aided by the two fraternity brothers who act as yell leaders on the cheerleading squad, continuing the winning tradition of AXI in the Campus Intramural sports program, and sponsoring a driving safety campaign the week before Spring Break. Community-wise, the Phi Delts visited shut-ins and gave a Christmas party for the boys at Kentucky village, the juvenile corrections institution at Lexington.

Alpha Chi Iota local fraternity became a colony of Phi Delta Theta national fraternity August 29, 1968. The national fraternity was founded at Miami University in Ohio in 1848.

Pi Kappa Alpha

Bill Wall *President*
 Mike Blackburn *Vice President*
 Tim Lanfersiek *Secretary*

The annual Hell's Angel Party, a Dream Girl Ball, Mom and Dad's Day, and the Spring Formal were highlights of Pi Kappa Alpha's social year. Other activities included Pike's Big Brother Day and painting the Richmond Community Center. In the Spring, Pi Kappa Alpha held its Pikes Peak Day, honoring outstanding girls on campus. Homecoming day, their "Whistle While You Work" float was recognized as "Most Original." At the year's end, Pikes awarded a trophy to the most proficient sorority. This year Pi Kappa Alpha attended the National Centennial Convention and the National Leadership School at the University of Virginia.

Founded March 1, 1868, at the University of Virginia, the national fraternity celebrated its 100th birthday last year. The local Alpha Kappa Pi was recognized as a local fraternity in the Spring of 1967, and April 28, 1968, became a colony of Pi Kappa Alpha. In February of 1969 Pi Kappa Alpha was initiated by its national and received its Chapter Charter.

Sigma Nu

Phillip Woodall*President*
 Frank Seale*Vice President*
 Edwin Mason*Secretary*
 Bruce Williamson*Treasurer*

Riding the game ball via bicycle to Western Kentucky University's Homecoming was the center of attention surrounding Sigma Nu's activities. Other projects this year included collecting for the Heart Drive, a Christmas party for the children of Telford Center and an Easter Egg Hunt for the children of the Richmond Community Center. Rush, Christmas caroling with other Greeks, and also participating in the first all-Greek sing were activities in '68-69 of Sigma Nu.

This year the former Sigma Chi Delta local fraternity was initiated as a Colony of the Sigma Nu International Fraternity. Sigma Nu was founded January 1, 1869, at the Virginia Military Institute. Since that time, when the first vows were taken, Sigma Nu's ideology has spread to over 161 college campuses throughout the United States and Canada.

Tau Kappa Epsilon

Mike Nygren*President*
 Bill Ledford*Vice President*
 Scott McBrayer*Secretary*
 Jim Gross*Treasurer*

During the year, the brothers of Tau Kappa Epsilon have tutored under-privileged children of Richmond and have donated many pints of blood to the Bloodmobile. They also sponsored campus dances, a Greek Invitational Basketball Tournament, and a Homecoming Tea for their alumni and parents. The biggest event of the year for TKE was the Red Carnation Ball, their Sweetheart Dance, at which Miss Sherri Pean, sweetheart for 1968-1969 reigned.

Founded January 10, 1899, at Illinois Wesleyan University, Tau Kappa Epsilon has become the largest men's social fraternity in number of chapters and undergraduate strength. The local chapter from Eastern was given its affiliate charter in May of 1968. This group was formerly Kappa Tau Epsilon.

Theta Chi's outstanding annual social events included a Christmas Party and a Spring Formal. This Spring at an awards banquet, the fraternity recognized its members for their work and accomplishments. Working with the Richmond Community Center and collecting canned goods for Christmas baskets were their main service projects.

Theta Chi recently colonized Eastern's newest fraternity, Delta Chi Theta. Delta Chi Theta was recognized as a local fraternity at Eastern February 5, 1968. Theta Chi was founded on the University of Norwich Campus in Vermont April 10, 1856. There are now 151 undergraduate chapters throughout the country.

The John Nick Combs Memorial Company of the Association of the United States Army is a national organization which is composed of both members of the basic and advanced corps of the ROTC department.

The purposes of this organization include the improvement of the cadets and the service not only to the school but to the community as well.

The AUSA company sponsors the annual Spring Military Ball, elects Queen Athena, and presents guest lecturers throughout the year. Along with these activities, the AUSA participates in Eastern's homecoming parade.

Chicken wire, pliers, dexterity and hard work all contribute to the making of a float.

Each fall the advanced corps cadets nominate and elect a coed sponsor who will represent their unit during the forthcoming year. These young women are representative of the outstanding, beautiful and intelligent coeds on campus.

These qualities are necessary for the activities in which they are usually involved. Each Spring and Fall the sponsors make trips to Ireland Army Hospital, Fort Knox. Upon arrival, they begin a day of comforting Vietnam Veterans. This is where just a smile leads the way for a speedy recovery. Other activities include help given to aid the AUSA in providing the materials for Richmond orphans to have a pleasant Christmas season.

The lonely hours spent in recovery are shortened for a Vietnam veteran by Brenda Thompson's warm smile and cheerful personality.

Counter-Guerrilla Raider Company is a military organization designed for the development, both physically and mentally, of cadets in the ROTC program who plan to defend our country in the future. Its goal is to familiarize the cadets with the training which special forces receive.

The C.G.'s do many things that other military organizations are not permitted to do on campus. Some of these special activities are repelling and hand-to-hand combat. The membership is small compared to the activities carried out by the company due to the vigorous training required to be admitted to the company.

In 1967, the Military Police Company, dedicated to Colonel Everett M. Smith, was formed on the Eastern Kentucky University campus. The first of its kind in the nation, its purpose is to offer students interested in Military and Law Enforcement practical experience in these fields. Their members participate in security details, traffic details and act as guides on campus. The Military Police take pride in their smart appearance and active role in benefiting the activities in school affairs at Eastern.

Pershing Rifles

Company R-1 began its fourteenth year of existence on Eastern's campus. After the annual week's work of handling registration activities, traffic direction, etc. members settled down to the task of developing competitive drill teams.

Following a rigid twenty-two week pledge semester, the company admitted twenty-three new actives. The new members received their blue and white cords and ribbons at the annual Pledge Dance following a demanding "Hell Week" and second semester registration aid.

This year, R-1 founded a co-ed affiliate drill unit called "The Capers." The Capers also drill in competition, accompanying the IDR and Exhibition units in drill meets against schools in Kentucky and other states.

Participating in the Homecoming Parade, the Suicide Squad display their unique precision abilities.

STUDENT PUBLICATIONS

AURORA

AURORA STAFF: Sandy Hinger; Shawna Cartwright; Audrey Morrison, Editor-in-Chief; Bev Meece; Cindi Dorman.

AURORA, Eastern's magazine of creative writing, is published in the spring of each year, under the sponsorship of the Canterbury Club. This magazine is published with the purpose of giving talented students a chance to write for publication, and to provide for the student body and faculty an example of what is being done on campus in the vein of creative endeavors. Poems, short stories, one-act plays and essays are considered for publication, and with the birth of AURORA last year, art work was also accepted. Final selection for the magazine is done by the editors, but the staff works closely with faculty advisers, who read and comment on the submitted manuscripts.

Working diligently, the AURORA staff performs the inevitable task required of all publications—proof-reading.

Craig Ammerman, EDITOR-IN-CHIEF.

Allen Trimble, EXECUTIVE EDITOR.

EASTERN PROGRESS Expands in Size and Scope

Information and interpretation of the events and crucial issues at and around Eastern is the task of THE EASTERN PROGRESS.

THE EASTERN PROGRESS, presently in its forty-sixth year of publication, is published weekly throughout the academic year. It serves the campus with a full-size, twelve-page paper, the Commonwealth's largest weekly.

Local reporting centered largely on a study of student affairs, revision of student government, civil rights, the rise of the Greeks and intercollegiate athletics. The nationally syndicated columnist, Carl Rowan, analytical cartoons of Hugh Haynie, the satirical pen of Feiffer and the personal column of Craig Ammerman gave a flavor to the award-winning editorial pages.

Special supplements highlighting Eastern's athletic achievements, the Greek system and the fine arts were published during 1968-69. Increased local and national news and views generated sufficient readership and advertising support to increase the size of the paper by two pages.

University Photographers Strive for Excellence

The taking and processing of the thousands of pictures required for a yearbook the size of the MILESTONE is a monumental undertaking. In a concerted drive for quality, the work is multiplied, for it is sometimes necessary to take a half dozen or more shots to get the one good enough for publication.

Directing Eastern's photographic services, which also include providing pictures for official University news and publication purposes and for the EASTERN PROGRESS, was Mr. Craig M. Clover, University Photographer. Mr. Clover came to Eastern with photographic experience in the U. S. Army and with the Kentucky Department of Public Information and free lance work in California.

It would have been impossible for the photographic department to have accomplished its requirements without a staff of skilled student assistants, headed by Ken Harlow and Bobby Whitlock.

Charged with the overall photographic responsibilities of the Office of Public Affairs is University Photographer Craig M. Clover, whose expertise is evidenced throughout the 1969 MILESTONE.

1969 *Milestone* Presents the "Spirit of Youth"

College life perhaps represents the truest symbol of youth. The exuberance of fresh ideas, innovation and constant activity by young adults whose energy is bursting to be released demands that it be so.

In the years ahead, something will spark a memory of past days at Eastern, which will cause us to reminisce. This is the thought which has given the editors direction in preparing this volume. This is what the 1969 MILESTONE purports to do—to provide a permanent record of the 1968-69 year on this campus in such a manner that it will be a source of enjoyment, of recollection of memories, and indeed, of pride for all Eastern people.

Successor to four consecutive All-American winners, the '69 MILESTONE has tried to capture within these 576 pages the symbols of Eastern—the smiles, the tears, the excitement, the hysteria, the triumphs, and, yes, the disappointments, too—all precious moments which represent "the greatest years of our lives."

The finished product did not appear at once. It began as an idea that took much patience and countless hours of dedicated work to reach its present form. The '69 MILESTONE came about after inestimable time, imagination, and effort required to sponsor such "extra-curricular" activities as the Hall of Fame, Honor Roll and Senior Citations, all parts of what is perhaps the most comprehensive Honors Section in the country. And social recognition was not overlooked, evidenced by Miss Eastern, Mr. and Miss Popularity, and the expanded Beauty Section.

The '69 MILESTONE, through the extra efforts of the business manager and the entire yearbook staff, was produced at an actual cost of approximately 25 per cent more than its cost to the students of Eastern. But, regardless of its cost, the '69 MILESTONE, like its predecessors, will, hopefully, become a priceless possession in the personal libraries of 8,250 holders.

It is hoped that you will read carefully every word and linger over each spread, because the '69 MILESTONE tells a story with real meaning—the story of the SPIRIT OF YOUTH.

CLASSES

JUNIORS – Class of 1970

FRONT ROW: LINDA CHISM, Student Council; SHANNON LOGAN, Treasurer; DONNA JUSTICE, Secretary. SECOND ROW: MIKE BOWERS, Reporter; GUY COLSON, Student

Council; RALPH COX, Vice President; JIM MARCUM, President.

The Junior Class under the leadership of its president, Jim Marcum, sponsored activities which promoted academic and social life at Eastern.

In an effort to recognize academic achievement, the class of 1970 offered scholarships to Eastern students who excelled both academically and socially. Hoping to boost school spirit for Eastern athletes, the class started a spirit campaign. In addition to building a float for the Homecoming Parade, the class added spirit by sending up balloons at the beginning of the last football game played in Hanger Stadium. The class of 1970 closed a successful year by sponsoring the Prom and Prom Concert.

The penetrating warmth of the sun, brilliant green leaves, and warm breezes all announce that spring has once again returned to Eastern.

CLASS OF 1971

LEFT TO RIGHT: BILL DWELLEY, Reporter; STUART REAGAN, Vice President; PATTY ANDERSON, Treasurer; MARY LYNN JASPER, Secretary; KAREN BRYANT, Student Council; MIKE MILTKO, President; JIM PELLEGRINON, Student Council.

Sophomores felt an excitement different from the uncertainty of last year as they returned to Eastern's campus. Everything still looked the same, except for a few buildings which had been completed during the summer. Daniel Boone still kept a watchful eye on the thousands of students who passed before him every day. Feelings, however, had changed. Life wasn't as simple anymore; new questions had to be answered and new problems had to be faced. It was a time when they started to search for themselves; they were no longer content to pattern themselves after someone else, but realized that they were individuals.

The first snow ushers in a feeling of peace and tranquility.

FRESHMEN – Class of 1972

CLASS OFFICERS: MR. FRED W. BRIZENDINE, Sponsor; DR. EMOGENE M. HOGG, Sponsor; NAN HUDSON, Reporter; SUZANNE HIGGINS, Treasurer; PAULA McCANN,

Secretary; CHRISTY SCHAEFER, Student Council; KIP CAMERON, President; CHARLES DORROH, Vice President.

Homesickness, bewilderment, and adventure seized the freshman class as they said tearful farewells to their families. Only freshmen know the anticipation and fear that is felt during Orientation Week. Many new friends are made and the trials and tribulations of dorm life are overcome. After numerous meetings with advisors and painstaking care, a schedule is finally made only to be completely revised during the hectic confusion of registration. At last, after hours of panic, disappointment, and sometimes tears, they emerge with a handful of precious class cards.

Their college experiences grow through the excitement of homecoming, football and basketball games, the White Rose Formal, and the drudgery of cramming for finals. At times it seems as if the whole world was against them and they were often scared, depressed, and ready to give up, but they bravely faced the challenge of college life.

Editor's Note

When the 1969 MILESTONE was begun, it was my contention that this page be devoted to all those people who made it possible, for one person cannot do it all. This, then, is the purpose of this page.

Without the diligence on the part of my section editors and staff, this book would be one of blank pages. No one but they can realize what thousands of hours of work, true devotion to a cause, and self-sacrifice can mean. Most of them went "beyond the call of duty" in this respect and I owe everything that this book is to them.

But there remains one person to whom I owe more than I can repay. Dean Don Feltner, adviser to the MILESTONE, has given his time, effort, and sweat to its production. Without his guidance, aid, and staff the book would never have been published. And special thanks should be given to Doug Whitlock, Director of Publications, and David Vance, Sports Information Director, for their unparalleled efforts and interest in the MILESTONE.

I would also like to use this opportunity to thank:

—Craig Clover, University Photographer, and his band of student assistants, Ken Harlow, Bobby Whitlock, Larry Bailey, Tug Wilson, John Graves and Patsy Gross.

—The people at Taylor Publishing Company, Fred Kroger, Phil Orman, Dale Bennett, Mac Upshaw and their able photographer, Royce Rhodes, who were wonderful to work with, and contributed greatly to the '69 MILESTONE.

—John Mullaney, Len Osborne, Larry Kneifle, Steve May and Betty Megerle of Osborne Photographic Laboratories, Inc., Cincinnati, for portraits, and selected activity pictures and a continued outstanding relationship.

—Billy Davis III, for aerial color photographs on pages 18, 19 and 32.

Specifications For the 1969 *Milestone*

The 1969 *Milestone* was prepared by the students of Eastern Kentucky University and printed by offset lithography by Taylor Publishing Company, Dallas, Texas.

The first 104 pages are printed on 80-pound Saxony Embossed stock. The remaining 472 pages are printed on Meads Moistrite 80-pound Matte-finish offset text. The endsheets are 65# cover-weight smooth vellum bristol, printed in PMS 291 and PMS 294. The divider page separating the front endsheets and the text is motif parchment, woodgrain, printed in PMS 294.

The basic type font used throughout the entire book in body copy is Garamond, composed photographically by the Intertype Fototronic Computer. Body copy for the opening 93 pages is 14 point with 2-point leading; for the remainder of the book, 12 point, with 2-point leading. Cutlines are 10 point. Senior listings are 10 point and underclasses, 6 point. Headlines are Garamond, 18 point.

Various special effects are used in several sections of the *Milestone* in an attempt to achieve maximum reader appeal. Art conversions and mezzotints, printed in two colors, PMS 291 and black, are used for photographs appearing on the divisional pages. Sub-divisional pages

are line conversions, printed in a single color, PMS 291. Four-color mezzoprint is used on pages 8 and 9. Two-color steel die screen appears on page 298. A four-color circular line conversion is used on page 39. Two-color posterization appears on page 41.

Other special effects were achieved photographically. Photographs appearing on pages 1 and 2 are triple exposures, printed in four-color.

Art on page 34 introducing the special Homecoming gatefold was a combination four-color process halftone and line art by the creative design department of Taylor. The art of President Martin on pages 112-113 was done by Tom Williams of Taylor, using acrylics.

Cameras used to photograph activity pictures, both four-color and black-and-white, appearing in the 1969 *Milestone* included: Nikon (35mm), Rolleiflex (2¼"x2¼"), Mamiyaflex (2¼"x2¼"), and Speed Graphic (4"x5"). Senior and underclass portraits were photographed with a Beattie Portronic Camera, 70mm, using dual Speedotram strobe lights, by Osborne Photographic Laboratories, Cincinnati.

Press run was 8,250 copies.
